

WHEEE!!

THINGS GO BETTER WITH COKE

Beware The Ides of Reading Week

# The Co COL

by FRANCIS

What holds wealth together in a world torn by waves of crisis will be the Commonwealth. South Africa from the Commonwealth years ago and no member state organization. Africa was for its social progress which the Commonwealth built, some usually leave because British accord with it. It has been satisfied membership organization Britain be Commonwealth unrealistic. saying that financial and there is no without British wonder the solutioned rather leave organization are contrary under which ought to flourish. Much credit to the Canada Lester B. Pearson efforts in racial group tion to a the Prime Minister in Lagos of This credit not be put it is true his success fact that the day of the solution wealth division, prising, pledge on Smith's proved so Smith's bill is a tations sible exc complete clear by is only in white sup
