

Danfoss rollers topped by Lewis

Chuck Lewis had the handicap. Derry Everitt's 229 flat was best in that department and adding her handicap, her 268 was also best. Muriel Woron-

iuk with a 619 triple and 685 including 'cap topped that section.

Bob Chabot holds the leading average with 208 and Rose Sparkman tops

the girls with 173.

Standings show Swingers in first place with 63, Devils 46, Top Notches 45, Alley Coasters 42, Ras-cals 40, Dillies 35.

Park project moves forward

Mississauga town council is negotiating with

Credit Valley Conservation Authority to take over Erindale Conservation Area as a town park.

The suggested takeover date is Jan. 1 next year, on a 26-year lease.

Under the recommended agreement the town would become liable for developing and maintaining the land which it intends to develop as a local park.

Approval has yet to be received by the Ontario Energy and Resources Management

Archery title to PC team

Port Credit Secondary School's girls' archery team won the district tournament held at Gordon Graydon Secondary School.

Team members included Diane Hollands, and Karen Galbraith, Miss Holland's score of 232 in six rounds made her the top scorer of the tournament.

Miss Galbraith totalled 187 and the combined score brought the archery trophy to Port Credit for the second consecutive year.

Championship volleyball lineup

PORT CREDIT — The Port Credit Secondary School's junior girls' volleyball team which won the championship included:

Louise Hunchak, Karen McTavish, Cathy King, Mary Fairs, Laura Goodine, Navian Mazerew, Gloria Temporal, Cathy Crowe, Louise Lang, Arlene Rolka, Vals Faulquier, Colleen Campbell, manager Annette Maybe and coach Mrs. Gorelle.

Beehives defuse Rockets

BRAMPTON — Dixie Beehives applied the clamps to Brampton Rubin Rockets 5-2 in a Metro junior B league game last week.

The win moved the Bees into a third place tie with St. Mike's Buzzers.

Bob Goss, Jim Glover, Wayne Bowden, Bob Thompson and Alan Gordaneer each fired a goal for the winners.

Steve White and Bob Ernest were the Brampton scorers.

THE NEW DATSUNS

more models, more features, and more than ever more-for-your-money

One thing we believe you should have, is a choice. No other line of imports can match Datsun for a better mix of models — from low priced economy cars to high-performance sports cars, a rugged truck to an even tougher 4-wheel drive. There's a Datsun for everyone (and a \$1,000,000 parts stock to back it up), but the trick is knowing which one's for you. Take your pick.

(a) Datsun 1000 Two deluxe models. A 2-door and 4-door to set you free! And practically all they need to run on is your love. Datsun 1000s have peppy 62 HP engines and can wind up to 84 MPH on the road while giving 35-40 miles to the gallon. They seat four in comfort, have reclining bucket seats, 4-on-the-floor and are great fun to drive. **from \$1845**

(b) Datsun 1600 New 2-door or deluxe 4-door sedan or wagon — all with the high-performance 96 HP overhead cam engines good for 100 MPH and 30-35 miles per gallon. The sedans have all-independent suspension like expensive European cars. The wagon has a fold-

away back seat making way for a 55 cu. ft. loading bay.

They have "windows up" ventilation, 4-on-the-floor or automatic and safety features like: impact-absorbing body construction, collapsible steering columns, headrests, disc brakes, heavy padding on dash and interior fittings. It's all there. And it's all standard equipment. Datsun 1600 is probably the safest economy car you can own. **from \$2145**

(c) Datsun 1600 & 2000 Sports They go like ZAP! The 1600 sports with twin carbs and 96 HP OHV engine is easy to drive in town and out, smooth, comfortable, and has a high of over 100 MPH. It's fun and friendly. The 2000 is something else! It's mean. You get 135 snorting horses from an overhead cam mill and it goes one better with 5-on-the-floor.

Both cars have safe disc brakes, collapsible steering columns and all the extras as standard equipment. **from \$3345** Even a radio.

(d) Datsun Pickup This handy-sized pickup outsells all other imported trucks combined in North America because it gives you more-for-your-money. It can cut operating costs by up to 50%.

The spunky, OHV engine can move you along at 70 MPH all day and delivers 30-35 MPG.

And Datsun proves you don't have to be big to be tough. It can haul a ton and no sweat. On weekends take along a 4-berth camper on back. **from \$2135**

(e) Patrol 4-wheel drive It's a real rock-climbing, stream-fording machine with a 145 HP, 6-cylinder engine to bull its way anywhere. You get 2 or 4-wheel drive in any gear, PTO, and the toughest all-steel body you ever saw. Hardtop or canopy **from \$3573** models available.

Datsuns are backed by more than 150 dealers coast-to-coast in Canada and over 700 in North America.
