Mr. Percy C. Fuller,
204 Sylvia Court,
Vancouver, B. C.

Dear Sir:

In accordance with the promise of his letter to you of some weeks ago, Mr. Mackenzie King has asked me to direct your attention to a book written by Colonel David Carnegie, entitled "Can The Church and Industry Unite?", from which it is believed you would find a number of passages well worthy of quotation in the publication which you are having issued from time to time.

The book is put out by Marshall Bros. Limited, of London and New York. I have not seen it on sale in this country, but no doubt you could obtain a copy if you communicated with the publishers direct.

Yours very truly,

Private Secretary.
