Hydro

December 20, 1933.

Hon. J. B. Cooke,
Hydro-Electric Commission,
190 University Ave.,
Toronto, Ont.

Dear Mr. Cooke:

Enclosed is a further letter from
our friend, M. J. Wilson.

I am wondering if Mr. Gaby has seen
a copy of the duplicate agreement originally made with
Wilson, which he says is on file at Hydro. If this
agreement supports Mr. Wilson's allegations, I would
certainly think we ought to live up to its terms no
matter what was done subsequently. Would like to dis-
cuss this matter before or after our meeting on Thursday.

Yours very truly,

AM/E.
Encl.

Commissioner.
