Ottawa, February 13, 1917.

Madam,-

It has been represented to the Department that several of the children who attend the Oka Country School are in need of clothing. The Department would be willing to purchase material to make the clothing and would like you to start a sewing class among the girls for this purpose. Kindly state whether you would be willing to undertake this work.

Your obedient servant,

L. M. Lean
Asst. Deputy and Secretary.

Miss Laura E. Dickinson,
Teacher,
Oka Country School,
Oka, Que.
