

64 VICTORIA, A. 1901

1835.

plaints of their real grievances and their contemptuous treatment by Peter Robinson. Unless the grievances are redressed the attachment of many loyal British subjects may be destroyed. The exertions of these men to refute the scandalous calumnies against Great Britain; complains of the treatment by Buchanan, the consul, to British subjects and of his illegal exactions of which he gives instances. List of members of the Adelaide Association. Page 228

Peter Robinson to Browne. The application of the Adelaide Association for lands in Seymour township has been referred to the Council by Colborne and the Council recommended that the college lands there be disposed of at 10s. currency per acre, and to be open to proposals till the Association finally decided. Government has thought it expedient to reduce the cost to the Adelaide Association to seven shillings and sixpence currency. The friendly feelings with which government regards the Adelaide Association. 269

Browne to the Colonial Advocate. Defends himself against the charges of coming to Upper Canada to establish a hotbed of Toryism. 273

Kenmay.

Ogg to Elliot. Has been employed to procure information respecting colonisation in Upper Canada and asks for all he can furnish. The object is to form a company for colonising which is prepared to expend from £80,000 to £100,000 on land and improvements. Desires special information respecting the district of Gore and what lands are to be disposed of in or near the township of Nichol. If he has not the information hopes he will say where it is to be had. 844

October 9,
Ordnance.

Butler to Stephen. Recapitulates the contents of letter from Stephen and reports that the Ordnance has not yet received revised estimates for the reconstruction of military buildings near Toronto. The commanding engineer in Canada should examine plans and estimates before leaving the country. 70

October 17,
London.

Coutts & Co. to Hay. Ask if they may honour a bill drawn by Dunn in his own favour as trustee of the Six Nation Indians. 277

October 23,
Ordnance.

Byham to Grey. In reference to the legislation to secure to the Ordnance legal title to lands in Canada, the Board are doubtful if the object in view is so fully recognized as is necessary. The letter speaks only of instructions having been sent to Upper Canada, but an equal necessity exists in the lower province, when the department is charged with the Ottawa Canals and other works. The propriety of having the proper instructions extended to all the provinces or colonies. 73

October 24,
