LIFE ON THE RAIL IS A HARD ONE

**O. P. R. Engineer's Experience
with Dodd's Kidney Pills.**

They Brought Back His Strength
When He Could Neither Rest Nor
Sleep.

Winnipeg, Man., Jan. 6.—(Special).—
 Mr. Ben Rafferty, the well known
 C. P. R. engineer, whose home is at
 175 Maple street, is one Winnipeg
 man who swears by Dodd's Kidney
 Pills.

"Long hours on the engine and the
 mental strain broke down my con-
 stitution," Mr. Rafferty says. "My
 back gave out entirely. Terrible,
 sharp, cutting pains followed one an-
 other, till I felt I was being sliced
 away piecemeal. I would come in
 tired to death from a run. My sole
 desire would be to get rest and sleep,
 and they were the very things I could
 not get. Finally I had to lay off work."

"When I started to take Dodd's
 Kidney Pills, and the first night after
 using them I slept soundly. In
 three days I threw away the belt I
 have worn for years. Dodd's Kidney
 Pills cured me."

Concealed Baby's Birth.
 Brockville, Feb. 4.—The inquest on
 the body of the infant child found
 concealed in a basket at Greenbush,
 on the 24th ult., was resumed here
 yesterday, before Coroner Dr. Lane
 of Mallorytown. The circumstances
 surrounding the finding of the body
 were detailed by witnesses, and Lucy
 Blanchard, the young unmarried
 woman, suspected of being the mother,
 acknowledged the fact on the stand,
 and stated that she had previously
 disposed of two other children in a
 similar manner. The doctors who
 made the autopsy testified that the
 infant was still-born. The jury re-
 turned a verdict charging the woman
 with concealment of birth. On this
 charge she was immediately ar-
 rested and committed by P. M. Dea-
 con to stand her trial at a higher
 court.

\$100 REWARD \$100.

The readers of this paper will be
 pleased to learn that there is at
 least one dreaded disease the science
 has been able to cure in all its stages,
 and that is Catarrh. Hall's Catarrh
 Cure is the only positive cure now
 known to the medical fraternity.
 Catarrh being a constitutional
 disease, requires a constitutional
 treatment. Hall's Catarrh Cure is
 taken internally, acting directly upon
 the mucous surfaces of the system,
 thereby destroying the foundation of
 the disease, and giving the patient
 strength by building up the constitu-
 tion and assisting nature in doing
 its work. The proprietors have so
 much faith in its curative powers
 that they offer One Hundred Dollars
 for any case that it fails to cure.

Charged With Murder.
 Montreal, Feb. 4.—An inmate of
 the Montreal jail named Arsene Tha-
 lion will be charged in the police
 court to-day with the murder of one
 Cadotte, whose body was found in
 the river last August. The two men
 quarrelled, hence the charge.

Operation On Miss Fielding.
 London, Feb. 4.—The operation
 performed by Dr. Lorenz a few days
 ago in Vienna on Miss Fielding was
 carried out successfully, and excellent
 results are hoped for, "but," as Mr.
 Fielding says, "time will tell."

\$1,000 REWARD
 For A Case OF Incurable Constipation.

To a person who can't be cured of
 constipation by Dr. Hamilton's Pills,
 the above reward will be paid. No
 cathartic medicine gives such lasting
 satisfaction or effects such marvellous
 cures as Dr. Hamilton's Pills. Relief
 immediately follows for head-
 aches, biliousness and stomach dis-
 orders. No griping pains, no burning
 sensations, nothing but the most
 pleasant relief attends the use of Dr.
 Hamilton's Pills—others not so good.
 Price 25c. a box, at all dealers.

The Dog.
 Alone among animals the dog has
 chosen to desert his own kind and kin,
 and bridging an almost impassable
 gulf, he has resolutely taken sides

 so.

THAT PALE, TIRED GIRL.
 She is in society, in business, at
 home, everywhere you see her, but
 always worn and fatigued. She has
 not heard of Ferrero's or she would
 be perfectly well. How quickly it
 strengthens—what an appetite it
 gives—what a glow it brings to pal-
 lid cheeks! The nutriment contained
 in Ferrero's puts strength into any-
 body. Laughing eyes, rosy lips, and
 bright, quick movements all tell of
 the vitality Ferrero's produces. Thousands
 of attractive, happy women
 use Ferrero's—why not you? A box
 of fifty chocolate coated tablets
 costs fifty cents at any drug store.

A man who can induce others to
 walk into his trap is a strategist.

—Coughs, colds, soreness and a
 throat ailment are quickly relieved
 by Oresolene Tablets, ten cents per
 person of wide experience.

A person who has his light opinion
 of himself is easily put out.

BRITAIN'S NAVY READY

**Sensational Speech By Civil
Lord of the Admiralty.**

Looks With Anxiety, Though Not With
 Fear, to the North Sea—In Any Case
 Under the Existing Conditions, Britain
 Would Get Its Blow in Before Other
 Side Had Time to Read War Declara-
 tion.

London, Feb. 4.—A speech delivered
 in the House of Commons by Arthur
 Hamilton Lee, Civil Lord of the Ad-
 miralty, has created a sensation.

In dealing with the recent distribu-
 tion of Great Britain's naval forces,
 Mr. Lee frankly declared that Great
 Britain had not so much to keep her
 eyes on France and the Mediter-
 ranean, but had to look with anxiety,
 though not with fear, towards the
 North Sea, and the fleets had been
 so distributed as to enable them to
 deal with any danger in that direc-
 tion, should it unfortunately occur.

If war unhappily should be declared,
 he continued, under existing con-
 ditions the British navy would get
 its blow in first, before the other
 side had time to react in the papers
 that he maintained that "by recent na-
 val reforms Great Britain's strength
 as a naval fighting power had been
 practically doubled during the last
 few weeks."

The speech, which was delivered at
 a railway dinner, in a witty political
 character, is commented upon in
 some of the London morning news-
 papers as exceedingly indiscreet and
 likely to be resented by Germany.
 At which it evidently pointed. The
 Daily Chronicle suggests that Pre-
 mier Balfour should muzzle his Civil
 Lord of the Admiralty.

NOTED PREACHER DIES.

Rev. Dr. Smith Passes Away From
 Pneumonia At Galt.

Galt, Feb. 4.—Rev. J. K. Smith,
 M.A., D.D., for many years one of
 the foremost ministers of the Pres-
 byterian Church of Canada and a
 pulpit orator of wide fame, died in
 his apartments at the Hotel Imperial
 here Thursday night from pneu-
 monia, in the 78th year of his age.
 The deceased was born in Aber-
 deen, Scotland, and was one of four
 brothers who entered the ministry.
 He had various important charges
 on both continents in Canada at
 Ramsay, Lanark, Brockville, Galt,
 Hamilton, Brockville and Fort Hope,
 in the States at San Francisco, Cal.,
 and in Scotland at Forfar and other
 places.

In 1887 he was elected moderator
 of the Presbyterian Church. The de-
 gree of D.D. was conferred upon him
 by the Presbyterian College, Mon-
 treal. A widow, daughter of Captain
 James Cunningham, of Williamstown,
 Ont., and his sons, William of New
 York and Ernest of Detroit, survive
 him.

Died Aged 109.

Wafford, Feb. 4.—Probably the old-
 est man in the Dominion died in
 Brooke township yesterday in the
 person of John Holbrook, aged 109
 years. Deceased was born in the
 County of Carlow, Ireland, and came
 to Canada at the age of 20. After
 residing at Smith's Falls for eight
 years he settled in Brooke, where he
 resided up to the time of his death.

A Year For Bigamist.

 married and convicted of theft of a
 fur coat, was given six months in
 the Mercer.

For His Health.

 ant for Parliamentary honors in

 ing at Los Angeles, Cal. Friends of
 his have received letters from him

The Found of Flesh Story.
 Eleven different versions of the
 pound of flesh story exist in the early
 literature of Europe, none of which is
 founded on a historical basis, save one
 related by the biographer of Pope Sixtus
 V. The original tale runs as follows:
 Simon Canada, a Jew, enters into a wa-
 ger with Sechi, a Christian, staking a
 pound of his flesh against a large sum
 of money of the Christian. The Jew
 loses the wager, and Sechi insists on his
 forfeit. The case is referred to the go-
 vernor of the city, who in turn places it
 before the pope, who condemns both to
 lifelong imprisonment, from which they
 are finally released on the payment of
 a heavy fine. An Italian, Giovanni
 Fiorentino, in the sixteenth century
 was the first to change the roles of the
 Jew and Christian, and in this altered
 form the Bard of Avon found the story.
 The poet himself could scarcely have
 known any Jews personally, since they
 were expelled from England 300 years
 before his time and were not read-
 mitted until after his death. From
 stage presentations, from descriptions
 in books or from popular reports,
 they were always derogatory to the
 Jewish character, the poet derived his
 knowledge of the Jew—Memorah.

THIS MEDICINE IS BREATHED.
 That's why it is sure to cure Cat-
 arrh. You see it goes direct to the
 source of the disease, its healing va-
 por repairs the damage caused by
 catarrhal inflammation. "Catarrh-
 ozone" always cures because it goes
 into those tiny cells and passages
 that ordinary remedies can't reach,
 goes where the disease actually is.
 Impossible for "Catarrhozone" to fail
 as any doctor will tell you. Don't
 be misled into thinking there is any-
 thing as good as Catarrhozone—use
 it and you'll soon say good-bye to
 catarrh.

Knows Everything.
 Mayne—What a gossip Mrs. Gaby
 is! Edith—Yes, indeed. I never tell
 her anything without finding out that
 she has already told it herself.

It is astonishing how much time
 some people have to spare for the
 supervision of other people's business
 and how well they do it in their
 minds.

A SUCCESSFUL HORSEMAN.
 Never allows his horse to suffer
 pain. He always uses Nerviline,
 which is noted for curing stiffness,
 rheumatism, swellings and strains.
 Nerviline is just as good inside as
 outside. For cramps, colic, and in-
 ternal pain it's a perfect marvel. In
 the good racing stables Nerviline is
 always used, because it makes bet-
 ter horses and smaller veterinary
 bills. Twenty-five cents buys a
 large bottle of Nerviline; try it.

Some people deserve a lot of credit
 and others demand cash.
 A man seldom makes his mark un-
 til he has learned to toe it.

When a boy turns his bulging pocket
 inside out we marvel at the
 quantity and variety of articles he
 has stowed away. Odd lengths of
 string, marbles, a horse-chestnut, a
 top, brass nails, hickory-nuts, an ap-
 ple, and many more articles are gar-
 nered by this "snapper-up of unconsid-
 ered trifles." We think the collection
 must be hard on a boy's pocket.
 And it is. But do we ever think of
 the variety and miscellany of the
 substances we put into the pocket of
 our stomach? There's the apple and
 the nuts, and things besides quite as
 indigestible as brass nails and with
 no more food value than so many
 marbles. And yet we wonder that
 the stomach "gives out." When the
 stomach breaks down under the
 strain of careless eating and irregu-
 lar meals it can be perfectly and per-
 manently restored to health and
 strength by the use of Doctor
 Pierce's Golden Medical Discovery.
 The action of this medicine on the
 stomach and other organs of diges-
 tion and nutrition is so marked, that
 relief from disease is at once experi-
 enced, and the headaches, liver
 "troubles," kidney disorders, skin
 eruptions and other symptoms of a
 diseased stomach are quickly cured.
 Whenever the use of a laxative medi-
 cine is indicated, use Dr. Pierce's
 Pleasant Pellets. They act in har-
 mony with the "Discovery" and assist
 its action by purging the bowels of
 foul accumulations.

Plants for the Window.
 Petunias and other border plants
 should be dug up and potted just be-
 fore frosts for the winter window
 garden. Keep them cool and shaded
 for about two weeks; then cut down
 the tops, and they will soon send up
 a new and thrifty growth.
