THE SOWER.

Francis Ridley Havergal.

"I had much seed to sow," said me; "I planned
To fill broad furrows and to watch it spring,
And water it with care. But now the hand
Of Him to whom I sought great sheaves to bring
Is laid upon His laborer, and I wait,
Weak, helpless, at His palace gate.

"Now I have nothing only day by day
Grace to sustain me till the day is done;
And some sweet passing glimpses by the way
Of Him, the altogether lovely one,
And some strange things to learn, unlearned before,
That make the suffering light, if it but teach me more."

Yet, from the hush of that secluded room,
Forth floated winged steeds of thought and prayer—
Those, reaching many a desert place to bloom,
And pleasant fruit an hundredfold to bear,
Those, wafted heavenward with song and sigh,
To fall again with showers of blessings from on high.

Such as we sell from \$25. up to \$50. (according to style and model) will very often prove as satisfactory as a new machine costing nearly three times as much, for the simple reason that when we rebuild them they are made to do work equal to a new machine, all defective parts being replaced by brand new factory parts. They are also guaranteed for one year against defective workmanship and material. If you would like to hear more about them a post card will bring full particulars.

Weakly Young Men & Women

are seen everywhere. Heredity or overstudy renders them unfitted to cope with the responsibilities of life, susceptible to consumption or decline. Medicine has failed and must fail, for they need food. Take cod liver oil? No! Their poor stomachs rebel. Take emulsions! No! They are equally distasteful. Nothing will effect a cure but Maltine with Cod Liver Oil. The oil, rendered palatable and easy of digestion, is quickly assimilated, and Maltine, equal in nutrition to the oil, and even surpassing it in energetic action upon the digestive processes, unite in producing increased weight, improved color, and that elasticity and buoyancy which herald returning health. Maltine with Cod Liver Oil has a remedial value ten times greater than emulsions. One of England's greatest physicians (Dr. Fothergill) says:—"There is no remedy that can take the place of Maltine in cases of Debility and Nervous Prostration."
