CALEDONIA SPRINGS.

THE favorable opinion I formerly entertained of the waters of the Caledonia Springs is MORE THAN CONFIRMED, as well from the benefits I personally derived from their use, as from what I observed of their effects on others. The water should be drunk in moderate quantities before breakfast, and persevered in for some weeks at least.

BALDNESS.

A BEAUTIFUL HEAD OF HAIR is the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even shun society to avoid the jeers and sneers of their acquaintances; the remainder of their lives consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair.—To avert all these unpleasant circumstances, OLDTRIDGE'S BALM OF COLUMBIA stops the hair from falling off on the first application and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning gray, makes it curl beautifully, and frees it from scurf. Numerous certificates of the first respectability in support of the virtues of Oldridge's Balm are shown by the proprietors.

Read the following:
ROBERT WHARTON, Esquire, late Mayor of Philadelphia, has certified, as may be seen below, to the high character of the following gentleman:

The undersigned do hereby certify that we have used the Balm of Columbia discovered by J. Oldridge, and have found it highly serviceable not only as a preventative against the falling off of hair, but also a certain restorative.

WM. THATCHER, sen.
Methodist Minister in St. George's charge,
No. 86 North Fifth st.
JOHN P. ENGLISH, 334 Arch st.
JOHN D. THOMAS, M. D. 163 Race st.
JOHN S. FUREY, 101 Spruce st.
HUGH McCURRY, 243 South 7th st.
JOHN GARD, Jr., 123 Arch st.

It will certainly raise its virtues in the estimation of the public, when it is known that three of the above signers are more than 50 years of age, and the others not less than 30.

From the Mayor,
Commonwealth of Pennsylvania,
City of Philadelphia:

I, ROBERT WHARTON, Mayor of said city of Philadelphia, do hereby certify that I am well acquainted with Messrs. J. P. English, John S. Furey, and Hugh McCurry, whose names are signed to the above certificate, that they are gentlemen of character and respectability, and as such, full credit should be given to the said certificate.

In witness whereof I have heretofore set my hand, and caused the seal of the city to be affixed, this sixth day of December. &c.
[L. S.] ROBERT WHARTON, Mayor.

CAUTION.—Observe that each bottle of the genuine Balm has a splendid engraved wrapper, on which is represented the Falls of Niagara, the agent's name, &c.

HEADACHE.

DR. E. SPOHN, a German physician of much note, having devoted his attention for some years to the cure and removal of the causes of NEURVOUS AND SICK HEADACHE, has the satisfaction to make known, that he has a remedy which by removing the causes cures effectually and permanently this distressing complaint. There are many families who have considered Sick Headache a constitutional incurable family complaint. Dr. S. assures them that they are mistaken, and laboring under distress which they might not only alleviate, but actually eradicate by the use of his remedy. It is the result of scientific research, and is entirely of a different character from advertised patent medicine, and is not unpleasant to the taste. To be had of
