

"LO! I AM WITH YOU ALWAYS."

MATT. xxviii. 20.

We come, we go, the Lord be with you say,
There is but *One* who can both go and stay;
His presence frees our hearts from every dread,
"Lo! I am with you *always*," He hath said,

Then not with me alone, nor with you,
But with us both, for thus His word comes true;
Let us take comfort then, what room for fear,
What harm can come to us if He be near.

You on your journey, go with Him for guide,
I stay at home and He is at my side;
"Lo! I am with you" are His words of cheer,
Our Lord, our Saviour, and our Master dear.
