

The James Robertson Company Limited

"CANADA'S LARGEST PLUMBING SUPPLY HOUSE."

Founded in 1857 by the Late James Robertson, The James Robertson Company, Limited is to-day the largest Plumbing Supply House in Canada, having offices and large works in Montreal, Toronto, Winnipeg and St. John. The Montreal Works have a floor area of 162,228 square feet and serves the territory of Quebec Province and that portion of Ontario as far west as Kingston. The Ontario territory from Kingston west is covered by the Toronto vines are supplied by the St. John Branch and the Western Provinces from the Winnipeg branch.

The Company maintains permanent Exhibition and Show Rooms for the display of the latest developments in sanitary fixtures at Montreal Toronto and Winnipeg. Their aggressive and efficient organization have placed their Plumbing Fixtures in many of the largest buildings and institutions in the Dominion of Canada.

The Company has a service department which follows up installations of their fixtures and assists the purchaser by explanation and advice so that the high efficiency of their fixtures can be maintained at the minimum cost.

The Late James Robertson was the first manufacturer of lead pipe in Canada and this product is now made in all their plants and they not only distribute this product through the whole of Canada but do a large export business as well. They manufacture lead water pipe and drain pipe from one quarter inch to twelve inches in diameter, and also roll sheet lead of any desired thickness in sheets up to eight feet in

width. An interesting part of this plant is devoted to the manufacture of drawn lead traps and bends.

The James Robertson Company, Limited are also very large manufacturers of white alloys such as Babbitt Metals, Solders and Type Metals. The Company are sheet metal distributors and their brass foundries turn out a large variety of products in brass, bronze and aluminum.

Ever taking the lead in adopting advanced ideas in their service department, the Company has issued for distribution to dealers, one of the handsomest catalogues of Sanitary Fixtures ever issued by any Canadian business house. This catalogue is a volume of approximately two hundred and seventy-five large pages, profusely illustrated by half-tone engravings, printed on very high grade ivory paper and bound in handsome royal blue cloth covers. This catalogue is an innovation and is certainly the "Blue Book" of Sanitary Fixtures in the Dominion of Canada. This catalogue with all its advanced ideas in sanitation has been published after months of very arduous study and the expenditure of a large amount of money, and in conjunction with the Company's Exhibition Rooms at Montreal, Toronto and Winnipeg gives an unequal service to Architects, Builders and the Plumbing Trade generally.

In addition to the Sanitary Fixture Catalogue which this Company has published, is a complete fitting catalogue quite recently distributed which gives a very comprehensive idea of the wide range of fittings which this firm manufacture and carry in stock.
