

### Going Strong:

*Again Peace, Progress and Prosperity In Good  
Old Peabody's*

A YEAR ago—the beginning of the final “Big Push”—he was driving a tank that blasted the way to Hunland. To-day, he is back on the old job driving Peace-Time Canada to her Glorious Destiny. Tens of thousands of the Boys who did the Job Over There are back on the Job Over Here. We outfitted them with Uniforms—Fighting Clothes. Now we are outfitting them with Peace Regimentals, Peabody Overalls and Peabody Gloves, plain, honest work-clothes; worn everywhere by good men for good work.

*Everybody pull together—Get on your  
Peabodys and Get Busy*
