GOSSIP.

(Continued from page 781.)

=37855=. Many more young ones are worthy of special notice, but the only way to form a correct impression of stock is to go and see them, and those who go to Smithfield Farm with the intention of purchasing are not likely to depart without their errand.

A herd of first-class Shorthorns is that owned by Mr. Thomas Wallace, Portage la Prairie. They were seen recently by a "Farmer's Advocate" representative, and while the animals have been highly commented on in former issues, every fresh visit increases our admiration for the Red Herd Farm Shorthorns. They have been splendidly wintered, and their perfect condition, combined with their high quality and pleasing conformation, make them very prominent members of the class called hard to beat. There is one very good yearling bull for sale.

Mr. John Wishart, Portage la Prairie, recently sold to Mr. Gilbert Rowan, Miniota, Man., the Clydesdale mare, Lady Coleridge. She is in foal to Prince of Edengrove. The season's circuit in Portage district is progressing satisfactorily with the Hackney stallion, Stuntney Pharaoh, purchased in March from Messrs. Galbraith. Stuntney Pharaoh [209] (11534) (imp.) is sired by Stuntney Paragon (7639), out of Stuntney Leilah (6199). Two foals have been born in Mr. Wishart's stud: a male, out of Lady St. Getian, and a female, out of Maude Granite. Both foals are sired by Prince of Edengrove.

Mr. A. M. Gordon, of Newton, Aberdeenshire, has purchased for his herd of Shorthorn cattle, the two-year-old bull, Claret Cup. In the Newton draft of young bulls, in 1901, Claret Cup made the highest price of the sale, 130 gs., having been purchased at that figure by Lord Armstrong, Northumberland. He was by the noted sire, Morning Star, his dam being the Clipper cow, Camilla, by Mario II. In Lord Armstrong's herd he proved a great success, and won a gold medal at York the other day for the best bull and two of his progeny. One of his sons, Duke of Geneva 145th, has been sold by his lordship at the price which he paid for Claret Cup.

The Bowness Pure-bred Herd, owned by Hon. Wm. Beresford, Calgary, has recently been increased by three promising imported animals. One is the two-year-old bull, Merry Champion (imp.), bred by Wm. Duthie, of Collynie, Scotland. He was sired by Lovat Champion (imp.), a victor at numerous shows, and out of a Missie cow. The other two are heifers, both imported, and sired by Prince Royal. One is out of Lady Madge, bred by Marr, of Uppermill, Aberdeenshire, Scot. Moss Rose, the other, is out of an imported Scotch cow. They are a very choice trio, and may be expected to give a good account of themselves as breeders and also in the show-rings, if entered.

The Polled Angus herd owned by Hon. Walter Clifford, Austin, Man., were seen a few days ago by the "Advocate" field man. The animals have wintered well, and a few choice ones will become candidates for public honors at the forthcoming exhibitions. The herd leader is Imp. Nalodyoski (20015), he is by Mailboy (13637), out of Vixie (21542). A very good cow is Imp. Stumpie 12th of Skeyby (29750), by Quince, out of Stumpie of Summerby. Bertha =956= is a promising one-year-old heifer, by Bonnie Lad, out of Bertie, bred by Messrs. Richards, Bideford, Prince Edward Island. Lady Freida is also a very good yearling heifer, she was first last year as a calf at Winnipeg. There are a few very thrifty, well-developed calves in the herd. Four bull calves and two heifer calves are particularly good ones. One splendid heifer calf is out of Birdie =581=. Birdie is one of the record-makers in the herd; she is by Royal Sauter =202=, out of Oakland of Brandon =317=. She won first prize as a yearling, and the same place as a two-year-old at Brandon.
