THE - ORIENTAL - PURSE

"WORLD'S LATEST WONDER AND MYSTERY," the most wonderful and remarkable production of the age. Nothing like it was ever thought or dreamed of since Adam was a baby. "A KUTE AND KURIOS KOMBINATION" that astonishes both young and old. This purse can be filled with money, and DEFIES and Baffles every attempt of the UNINITIATED to open it, as it APPEARS IMPOSSIBLE without cutting or ripping, but PRESTO! it opens instantly, if you only know the secret; otherwise you are "NOT IN IT." It contains secret compartments or pockets of a VERY MYSTERIOUS nature that puzzle and deceive the sharpest eye. The ORIENTAL PRINCESS of great personal beauty, first conceived and invented by an ORIENTAL PRINCESS, but afterwards, by the aid of a WEALTHY English traveler, succeeded in effecting her escape. Subsequently, she married an American, who was smitten with her wondrous charms. A letter patent was taken out for this wonderful combination, and is now offered to ALL CREATION at a price within the reach of all. Please do not confound this article with the NUMEROUS so-called mysterious purses, or other catch-penny affairs so extensively advertised, but see that you get the ORIGINAL ORIENTAL PURSE, which is made of fine imported MOROCCO (in assorted colors) and handsomely finished, suitable for either ladies or gentlemen. A rare and interesting novelty, which is a marvel of oriental skill and ingenuity.

SPECIAL OFFER.—In order to introduce our large ILLUSTRATED MONTHLY MAGAZINE into every home in America, we will send ONE SAMPLE OF THE ORIENTAL PURSE (with secret how to open) and the AMERICAN HOME JOURNAL one year for only 10 cents, or TWO purses and MAGAZINE 25 cents, all post-paid. Live agents wanted everywhere. We are headquarters and manufacturers. Address,

Do Not Insure

Until you have seen the Double Maturity Policy of the Manufacturers' Life. Ordinary prudence suggests that you should carry some life insurance, if ever so little, and it is as well to know where the best is to be had, both for security and profit. Life insurance creates an immediate capital at a trifling outlay, which returns, as a rich and ample investment, to a man's family or himself at its period of maturity. You should find out about this Double Maturity we speak of.
