The Unrivalled Summer Medicine
 IS WELL KNOWN TO BE
Dr. S. Townsend's Extract of SASSAPARILLA.

WHICH assertion is endorsed by the following Testimonial from Rev. James Beattie, Pastor of the Third Presbyterian Church, New Orleans, 15th July, 1850.

Dr. S. P. Townsend—Dear Sir: I feel it to be both a duty and a privilege to say, that for several Summers past I have used your preparation of Sarsaparilla in my family with the happiest effects. Yours, &c.

JAMES BEATTIE.

Halifax, January 2nd, 1851.

MR. SAMUEL STORY, Junr.—Dear Sir,—I am happy to inform you that I had an opportunity of perceiving the good effect derived from the use of Dr. S. P. Townsend's Sarsaparilla, on Mrs. Rebecca Robinson, of Shelburne, who was considered in a decline,—having a severe Cough, with symptoms of Asthma,—she took large quantities of COD LIVER OIL, but without any benefit derived from it; at my request she was induced to try your valuable Sarsaparilla, and am happy to say with great success. She has taken five Bottles, and is now able to go about her house as usual, before taking it she was confined to her bed and not expected to live.

Your obedient serv't.

JOSEPH WALTERS.

LIFE AND FIRE INSURANCE. The undersigned has been appointed Agent for the "TRUSTEE MUTUAL LIFE INSURANCE COMPANY OF TRENTON," United States, and having previously taken the Agency, received satisfactory proof of the good standing and respectability of the Institution, he begs to inform the public generally that he is now prepared to issue Policies for eligible fire risks at moderate rates of premium, and to receive proposals for Life Policies, which will be forwarded to the Directors, and if accepted, Policies will be immediately returned. The Capital stock of the Trenton Mutual is now \$250,000, well secured in good productive Stocks, Mortgage on Real Estate, and Cash in Banks—and is doing a very large and as yet from its commencement in 1847, a very successful business.

In the Life Department they issued the first year, ending 1st October, 1849, 967 Policies—a number which very few Companies of long standing ever reached in the same time. The benefit of the mutual system in Life Assurance is very apparent, and is most favourable to all Policy holders in this Society, inasmuch as they receive a portion of each year's profits yearly, being deducted from the Premiums then payable, which are lower than any of the English Companies and not subject to stamp duty—all the particulars of which are fully set forth in the Pamphlets which the Agent has for distribution, who furnishes all Blanks and every necessary information, together with the Medical Examiner's Certificate gratis. All persons intending to insure are invited to call on the Agent, who will give them every information.

Reverend S. Black, Esq., M. D. is Medical Examiner for the Company.
 DANIEL STARR, Agent.

Temperance.

Another Death in the Whisky Jug.
 Another demonstration of the blessings of rum, and of the rum traffic, was on Monday night, May 19th, presented on the railroad near the grand junction in Worcester! Michael Donevan, of Stoneville, having there a wife, and four children, was about 7 o'clock seen staggering and hooting along the track, with a jug of rum in his hand, which he had obtained of some of the vendors of "liquid death" in Worcester, and the next morning was found dead, and horribly mangled, with limbs torn asunder, and blood, brains, and bowels strewn some one or two feet along the iron rails,—the whole freight train of cars having probably passed over his body during the night—but the JUG!—there it stood; by the side of the road about half full of rum, in the midst of the scattered fragments of another murdered and immolated victim of the rum-sellers, a silent memento, and a befitting monument of the cause, and of the consummation of the bloody and awful catastrophe. O! the power, and the ubiquitous presence of rum!—how manifest, and admonitory are they seen and felt in this, and ten thousand other similar cases all over the land! How much longer will the do-nothing and apathetic friends of temperance fold their arms to slumber upon the heaving bosom of an alcoholic volcano, with the red hot and surging lava thus occasionally bursting forth at their feet!—How much longer will the Legislature of Massachusetts refuse the same facilities of enforcing the statutes against the lawless rum-sellers, that have ever been afforded by law for the obtaining of testimony and conviction against thieves, gamblers, counterfeiters, and vendors of lottery tickets and immoral publications! In view of the past, and the prospective continuation of such licensed, or permitted diabolical deeds of rum, large and sober masses of the community are ready to cry out in the language of one of our old— "How long, O, Lord, how long!"—Massachusetts Cataract.

The Good Effects of Total Abstinence.
 A gentleman residing in one of the parishes in England has been able there to collect 700 persons who have become total abstainers. Among these more than forty men have been entirely reclaimed, and the general effect has been, that numbers of these have been brought to church, have become men of prayer, have prayer in their houses, the love of God in their hearts; and not one of them for the last four years had been brought before a magistrate, or applied for parochial relief. This speaks volumes in favour of the cause.

MORE LIQUOR SEIZED.—Portland, Me., Aug. 1—Another seizure of liquor of various kinds was made this morning on Steamboat Wharf; 34 barrels, six half barrels, and three kegs being taken. They had just been landed from the steamboat from Boston. The owner or owners are unknown. Under the 12th section of the law, the liquor must be advertised two weeks before it can be condemned and destroyed. Besides the seizure of a large quantity in Portland, we learn from the Rockland Gazette, that 33 barrels, including 22 of New York rum, were seized in that town on Wednesday, and that the contents will be destroyed. Importers, at this rate, will soon find themselves engaged in a losing business.

THE LIQUOR TRAFFIC ABANDONED IN AUGUSTA—On Sunday last—being the day on which the Mayor's sixty-day proclamation expired—the several liquor dealers in this city, great and small, including hotel-keepers, apothecaries, and all others who had to any extent previously participated in its sale, voluntarily abandoned the traffic; and now, on this seventh day of August, in the year of grace 1851, not a single glass of intoxicating liquor, of any kind, is sold, or can be obtained for love or money, or for any purpose whatever, in the city of Augusta! So, at all events, we are informed, and verily believe.—Augusta (Me.) Age, Thursday.

SUIT FOR DAMAGES IN A LIQUOR CASE.—One of the liquor sellers in Augusta, Me., whose stock was destroyed by the city authorities a few days since, brought an action of trover against the officer who seized it, to recover the value of the jugs and liquor, representing that he had the liquor in his possession for medical purposes, and not for sale. The Judge decided, under the 16th section of the liquor law, that no action could be maintained in which any portion of the property sued for is composed of intoxicating liquors.—Judgment accordingly.

By a letter from Constantinople, 15th ult., it appears that all the members of the family of the late Mehemet Ali Pacha have decided on quitting Egypt, and taking refuge at Constantinople.
