

JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DO NOT NEGLECT IT.
CONSUMPTION
Can and has been cured in thousands of cases by
JUDSON'S CHEMICAL EXTRACT OF
CHERRY AND LUNGWORT,
and no remedy has ever before been discovered that will
certainly
CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicaments which are peculiarly adapted to and essentially necessary for the cure of COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the investigations of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have only proved palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of blood, coughs, pain in the side, night sweats, &c. &c.

About 1000 certificates of almost-miraculous cures, performed by this medicine, from some of the first Physicians, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like quackery [will show them to any person, calling at our office]. This medicine will speak for itself and enough in its own favour wherever it is tried.

CAUTION.—This medicine is put up in a large bottle, and the name of Judson & Co., Proprietors, New York on the splendid Wrapper around the Bottle. All orders must be addressed to Comstock & Brother, No. 9 John Street, New York.

EAST INDIA HAIR DYE.

Colours the Hair, and not the Skin.

This dye may be applied to the hair over night, turning the lightest RED or GREY HAIR to a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, without the least possible trouble, keep his hair any dark shade or perfect black; with a positive assurance that the dye, if applied to the skin, will not colour it. By an occasional application, a person turning grey will never be known to have a grey hair. Directions complete with the article. There is no colouring in this statement, as one can easily test.

These facts are warranted by the gentleman who manufactures it, who is the celebrated Chemist, Dr. COMSTOCK, author of Comstock's Chemistry, Philosophy, and other works, and School Books, well known and widely celebrated by the public.

DEAFNESS.

Use Dr. LARZETTE'S ACOUSTIC OIL, for the cure of Deafness. Also, all those disagreeable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. Many persons who have been deaf for ten, fifteen, or twenty years, and were subject to use ear trumpets, have after using one or two bottles, thrown aside these trumpets, being made perfectly well. It has cured cases of ten, fifteen, and even thirty years standing of deafness.

CARLETON Condition Powders for Horses and Cattle.

The changes of weather and season, with the change of food and feed, have a very great effect upon the blood and various fluids of horses. It is at these times they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not removed, will result in the Yellow Water, Heaves, Worms, &c. All of which will be prevented by giving one of these powders, and will cure when disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body. Nothing else is so done more work with the same feed. The action of these powders is direct upon the secretory glands, and therefore has the same effect upon the Horse, Ox, and all and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them.

Remember and ask for CARLETON'S CONDITION POWDERS, and take no others.

FOR MALE AND FEMALE.

DR. LARZETTE'S JUNO CORDIAL, or Procreative Elixir, prescribed as an effectual restorative in cases of Debility, Impotency, or Barrenness, and all irregularities of nature. It is all that is proposed to be, viz.: Nature's Great Restorative, and remedy for those in the married state without offspring. It is a certain cure for the seminal emissions, General Debility, Gleet, Weakness of the Genital Organs, Nervous Affections, Leucorrhoea or Whites. As an invigorating medicine it is unequalled. Also, a certain remedy for Incipient Consumption, Indigestion, loss of Muscular Energy, Physical Lassitude, Female Weakness, Debility, &c. It is warranted to please the user in any of the above complaints, and is of priceless value to those without offspring.

Caution to be carefully read and remembered.

A counterfeit of this celebrated Juno Cordial has lately been issued, having the name of LEVI JUDSON on the wrapper.

Remember that the counterfeit has the name of Levi Judson on the wrapper, and the genuine has NOT his name on the wrapper. JUDSON & CO., No. 9, John St., N. York, Agents in America. Established in 1844.

CARLTON'S LINIMENT FOR THE PILES, &c.

It is now used in the principal hospitals, and in the private practice in our country by an immense number of individuals and families, first and most certainly for the cure of the PILES, and also extensively and effectually to relieve the following complaints:

For Dropsy—Creating extraordinary absorption at once. Smellings—Reducing them in a few hours. Rheumatism—Acute or Chronic, giving immediate ease. Sore Throat—By Cancers, Ulcers, or Colds. Croup and Whooping Cough—Externally and over the chest.

All Bruises, Sprains and Burns, Curing in a few hours. Sores and Ulcers—Whether fresh or of long standing, and never sores. Its operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception. The common remark of those who have used it in the Piles, is "It acts like a charm." It is warranted to please any person that will try it.

CAUTION.—All of the above named articles are sold only in New York, by Comstock & Brother, No. 9 John St. Sold wholesale for the Proprietor in Nova Scotia at Morton's Medical Warehouse, Halifax; in Windsor by Mrs. Wiley; in Dartmouth by D. Farrell, and by one agent in every town in N. S. and N. B. Enquire for Comstock's Almanac for 1852 which is given to all gratis. 105 July 12.

SPECIAL NOTICE.—DIVISION OF PROFITS.

HERE IS YOUR REMEDY!

HOLLOWAY'S OINTMENT.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70 Saint Mary's Street, Weymouth, dated May 15th, 1851.

To Professor HOLLOWAY
Sir,—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisement, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so great alleviating the sufferings of a fellow creature. (Signed) WILLIAM GALPIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OF THIRTY YEARS' STANDING.

Copy of a Letter from Mr. Wm. Abba, Builder of Gas Ovens, of Kusterliffe, near Huddersfield, dated May 31st, 1851.

To Professor HOLLOWAY
Sir,—I suffered for period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact. (Signed) WILLIAM ABBA.
The truth of this statement can be verified by Mr. W. P. England Chemist, 13, Market Street, Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner, of Penhurst, Kent, dated December 15th, 1850.

To Professor HOLLOWAY
Dear Sir,—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before heard of a awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends. (Signed) FREDERICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist residing at Newborough, near Heatham, dated May 15th, 1850.

To Professor HOLLOWAY
Sir,—I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent Surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint. (Signed) JOHN FORFAR.

AN INFLAMMATION IN THE SIDE PERFECTLY CURED.

Copy of a Letter from Mr. Francis Arnot, of Brethous Lathian Road, Edinburgh, dated April 23rd, 1851.

To Professor HOLLOWAY
Sir,—For more than twenty years my wife has been subject from time to time, to attacks of inflammation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw, in the papers, the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use, and after persevering for three weeks the pain in her side was completely cured, and she has enjoyed the best of health for the last four years. (Signed) FRANCIS ARNOT.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs, Cancers, Scalds,
Bad Breasts, Contracted and Stiff Joints, Sore Nipples,
Bums, Stiff joints, Pore throats,
Bruises, Elephantiasis, Skin Diseases,
Bites of Snakes and Insects, Fistulas, Scurvy,
Coco-Bay, Gout, Sore Heads,
Chicco-foot, Indigestion, Tumours,
Chilblains, Lumbago, Wounds,
Chapped hands, Piles, Yaws,
Corns (Soft), Rheumatism.

Directions for the Guidance of Patients are affixed to each pot or box.
