STAMMERING CERTIFICATE.

We, the undersigned, residents of North Sydney in the vicinity of Cape Breton, having known Miss Lawlor when afflicted with, and oftentimes impaired to witness her struggling with that impediment, stammering, have now much pleasure in testifying, through this medium, that she has been relieved of the above referred to difficulty. She can now give utterance to her ideas, with a freedom of speech, at once free, deliberate and apparently without effort.

We learn from her that she attended, last December, the Stammering Institute at Halifax—in charge of R. B. Mackintosh, Esq.—he having been empowered to use the method first known to, and practiced by Professor Sutherland, of London, Ont.

We heartily recommend those similarly affected, as Miss Lawlor, to avail themselves of the privilege of attending an institution calculated to render such valuable aid to both old and young.
