The Truly Brave

Who is the truly brave?
The boy with self control,
Who curbs his temper and his tongue,
And though he may be big and strong,
Would scorn to do the slightest wrong
To any living soul.

Who is the truly brave?
The boy who can forgive,
And look as though he had not heard
The mocking jest, the angry word,
Who, though his spirit may be stirred,
Yet tries in peace to live.

Who is the truly brave?
The boy whose daily walk
Is always honest, pure and bright,
Who cannot lie, who will not fight,
But stands up boldly for the right,
And shuns unholy talk.

Who is the truly brave?
The boy who fears to sin,
Who knows no other sort of fear,
But strives to keep his conscience clear,
Nor heeds his comrades' taunt or jeer,
If he hath peace within.

Who is the truly brave?
The boy who dares to pray,
And humbly kneeling, seeks the face
Of God, and asks supplies of grace
To help him run the Christian race,
And walk in wisdom's way.

Dying at a Cross Word.

To show how this power of the voice
extends through the whole animal crea-
tion, I will say, that I know one of
the best ladies in Massachusetts, who
lives within five miles of this school-
house. She had, a few years ago, a
beautiful canary bird which she dearly
loved, and to which she had "never
spoken an unkind word in her life."

One Sunday the church organist
was away, and she stopped after
church to play the organ for the Sun-
day school.

In consequence of this, the dinner
had to be put off an hour, and when
she got home her good husband was
very hungry, and he spoke to her un-
kindly.

Indigestion

HORSFORD'S ACID-PHOSPHATE,

A preparation of phosphoric acid
and the phosphates required for per-
fect digestion. It promotes digestion
without injury, and thereby relieves
those diseases arising from a disordered
stomach.

Dr. E. J. WILLIAMSON, St. Louis, Mo.,
says:

"Marked beneficial results in imper-
fect digestion."

Dr. W. W. SCOFIELD, Dalton, Mass.,
says:

"It promotes digestion and overcomes
acid stomach."

Dr. F. G. MCGAVOCK, McGavock, Ark.,
says:

"It acts beneficially in obstinate indi-
gestion."

THE WILFORD HALL REVOLUTION.

Health Without Medicine

A lost, or neglected, art is hereby restored and
brought into universal prominence and demand
whereby constipation, dyspepsia, fevers, piles,
headache, incipient consumption, liver com-
plaint, kidney and urinary difficulties, nervous
and general debility—including the serious
effects of secret sins; la grippe, &c., &c., are
effectually removed by the re-vitalizing process
of nature brought into active and unobstructed
play through the peculiar agency of this unique
system. The effect on nearly all manner of dis-
eases is truly marvellous. Write or call for a
Free Copy of *The Microcosmic Monthly*,
an eclectic journal devoted to the Physical,
Social and Ethical Life of Man—contains the
history of the re-discovery of this system, results
of the treatment, strongest possible endorse-
ments from ministers, doctors, editors and
others who have been cured when all other
agencies failed, and, in many instances, when
every hope itself had fled.
