Is The Fastest Growing Company In Canada

Over \$2,700,000.00 MORE insurance was written by this company last year, than in any previous year.

The expenses were \$10,221 LESS than in 1905, while the volume of business on its books was much larger.

Is it any wonder then that the whole Canadian people have confidence in the wise, conservative business management?

And they show their confidence by taking out enough insurance in The Mutual Life to make it the fastest growing company in the Dominion.
