Sin.—Since you are desirons to ascense to duced on SAVED FROM DEATH !!

they have been found superior to all others. Hiving Dis Partitis, March 1, 1880. Sin,—Since you are desirons to ascernain the effect which the Waters of the Point du Joar Sprlags have pro-duced on myself, I must inform you, that I have used them medicinally at their Source, and have found them highly salubrious. I was a the time so affected by the consequences of a severe disease of the Digretive Organs-than my Physician judged it right to suspend for a time all active remedies, even for the repression of Dyspepsia and an absolute R-tention of the Bowels, under both of which I was being the mearest. I was at the time so weak, that it was out the inde use of those of the Point du Joar, as being the mearest. I was at the time so weak, that it was und multi kept my feet. How-event, at the expiration of three weeks, I was reatored by using the Waters. These Waters are of a gascons nature, commining a large quantity of saline particles, and spre-able in the tastur-tike to a large date they have at pro-ting the fusion. using the Whiters. These Waters are of a gascous nature, containing a large quantity of saliuse particles. Bud agree-able in the taste-taken in a large does they are strongly axaitre, but their purgative properties are unaitead-widh gripurgs,-those even who have been using them have not been weakened or enervated in their constru-tion in consequence; upon the contrary, by using them they find their appetite increased, and their digetion ron-dered more regular. After a dose of 3 or 4 four glasses, I found that thry had the effect of increasing the unitary.

The standard of the second s of certificated instances, they hav ufferers from the very after all the deceptive not terly failed; and to ma permanently secured health, without which riably and infallibly proved a scarcely less than miraculon acquainted with the beautiful ciples upon which they are comp which they consequently act manifest and sensible action is no and channels of life, and endus newed tone and vigor, that iney Unlike the host of pernicion boast of vegetable ingredients, the LIFE D CINES are parely and solely vegetable in tain peither Mercury, bor Antimony, a will content increase. g some of the complaints for used with the most complete wollen Glands, Broken Breats, Whitlows, Scalds from Steam-or other causes, Burns, Fever Sores, Sore Nipples, Carbuncles, a-stot Wounds, Bruises, Bols, , Chiblains, Uicerated and Com-ts, and Bonions. HEMP AND CANARY SEED. JUST RECEIVED, a fresh sapply, by BENJ. WORKMAN & Co., 172, St. Paul St.

FOR PER

June 21.

dered more regular. After a dose of 3 of 4 four glasses. It found that thry had the effect of increasing the utinnry secretions at first, and that these decreased in the same proportion that the alvine secretions increased. The ac-tion of the nervous and sangumary systems were thereby moderately augmented, and, instead of finding mysel moroas and and as I had been during arms days before then, I perceived myself involuntarily dispused to plen-sure and gaisety. Many who, in the same circumstances made use of the Waters by the recommendation of Dr. Cazeneuve, experienced the same effects. To conclude 1 are of onignin, in reolformity with the Aulysis mide by Liver, from which I have super a severy in "pwards of ten years and, having adhered ci sely to the directions which accompany the M. dicine-I have recovered my halth, notwithstanding al-who knew me thought my case incurable. "Pre-vious to taking the Wine and Pills, I had recours to the best medical textment, but continued in the text of the section of th Cazeneuve, experienced the same effects. To conclude, 1 am of opinion, in conformity with the Anlysis mide by T. S. Huut, Eeq., that. Physicians might employ it suc-cessfully in the same discasses for which the Plantagenet Waters are so judiciously recommended, Yours, respectively, AMABLE SIMARD, M. D. to the best medical bestiment, but contanted y grow worse to an alerming degree. Some of my friends spoke desp.iri.gly of my case, and itee to persuade me from making use of any advertised remedies; and, I dewit no, but what users are hundre is who are dissueded from taking you're z BT. JOSEPI'S CONVENT, May 14, 1650. SIE.—I observe with pleasure that the Milleral Waters, their source at Point du Jour, Parish of the Assomption, U assomption), are acquiring the celebrily they deserve. For myself, who am, perhaps, one of the first that alluded to them in the newspapens, in the year 1864, I can testify, hat since then 1 have have never 1864. I can testify, hat since then 1 have have never doubled that the pre-erence must be given to those of Point du Jour-having never had much experience. iundreis who are dissuided from taking your ex-cellent Medicines, in consequence o the deception and inefficiency of many advertused remedies pu-orth by unprincipled men, in flaming advertuse-ments. But, what a pity it is that the deception used by other a should be the means of dissuading many laboring under disease, from making trial and being cured by your excellent remedies Humanly speaking, they have saved my thie; when I commenced making use of them, I was in a wretched condition, but began to experimently good effects in less than three days; and, in si-weeks from the time I purchased the Medicines, to the great surprise of all my friends. I was enture's cured, and had increased filtern pounds in weight-having taken one fox of the Fills and two bottles of the wine. Would to Goot that every poor and-ferer would avail himself of the same remedies f ayeelf had much experience. J. M. BELLANGER, Priest. Agents for Montreal :- Dr. Picault. 36, Notre Dame Street, corner of Bonsecours Street, Ben-amin Workman, Apothecary, corner of St. Peul Street, Custom House Square; O. LaLiberte, corner of St. Catherine and Visitation Streets.

r would avail himself of the same remedies ? Yours, Sc., JAMES WILSON.

Dr. David Marvin, celebrated Practitioner o New York, declared publicly, that one botth of Halay's Forest Wine contained more virtues then Hais y's Forest Wine contained mure virtues than fifty ut the large b. tiles of Sarsaparila. Measer S. S. Lampman & Co., the largest and most res pictable Droggists in Syracuse, in a letter, says :'From what they have heard and seen of Hal-sey's Forest Wine, it is an smeellent and good Medicine, and will, undoubtedly, become the lead-ing Medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Malary's Forest Wine, by recommending it of many of his Patients.

Forest Wine, by recommuning it to many of his Patients. IEP-Soven hundred Certificates from Physiciam, Clergymen, and individuals of known respecta-bility, have usen given teautying to the great circs made by " D. Budgy's Forest Wine and Pills. Among them is the cure of Mr. John Syms. of D20 Feeri Street, New York, cured of Affection of the Liver-smithed Couply affect having been given over by ine Bhyaicians, who pomounded his case seared Convemption.
