After refreshments were served, music (not the least of which was Mr. Spence's singing of "When you and I was young Maggie") and games brought a very enjoyable evening to a close, all hoping for many such occasions.

Interpreting Omens

To the Editor,—

In the folds of last week's Review I discovered a live spider. Would you please let me know if that is a sign of good or bad luck?

A Millgrove Subscriber.

The appearance of a spider in a copy of last week's paper was a sign of neither good nor bad luck; that intelligent little insect was merely studying our columns in order to ascertain whether any store in this neighborhood had failed to advertise in our paper, in order that he might make for that establishment and there weave a web across the doorway, where he might dwell in undisturbed peace.—Editor.

W. A. A. Items

Come On! Come On!

I am going to trade at Dale's Store after this because I can always rely on getting the best both in Groceries and Meats, and I find the price is just as low at Dale's Store as anywhere in Hamilton and I have always got 16 oz. to the pound. I can buy 2 boxes of Corn Flakes for 25c. Cream of Barley for 30c a package, Bee Hive Syrup in 5 lb. pails for 55c. I got Pride of the Valley Flour there yesterday for \$1.35 a sack and Thistledown Flour at \$1.40 a 24 lb. sack. Also I would not think of going anywhere else for my meats when I can buy meat as good as I get at Dale's, it is always clean and kept right and you can depend on the Quality. You can not beat the Bread that Dale sells, it is kept under the most sanitary conditions.

You can not go wrong in dealing at Dale's
