St. John's latest sensation is the  
discovery of a male skeleton in the  
woods in the vicinity of Mispec, on  
Saturday, by some boys searching  
for cattle. Coroner Berryman of St.  
John is investigating the case, but  
the body has evidently lain many  
years, and a few shreds of clothing,  
a pair of boots, and a briar-wood  
pipe are all that remain to furnish  
any clue. A suspicious feature is the  
fact that a portion of the skull is  
broken. At present the identity of  
the remains is only a matter of specu-  
lation.

BARGAIN. A canopy top boggy  
with lamps. Stylish and good as  
new, will be sold at a bargain. In-  
quire at Advertiser Office. 3ins.

The Westminster Abbey Choir  
gave their concert in Kentville, on  
Wednesday evening. On account  
of the terrible storm of rain and  
wind throughout the day the audi-  
ence was a very small one. People  
from the out lying sections who  
made arrangements to attend did  
not venture out. The programme  
as presented was an excellent one  
and seemed to be enjoyed more  
than the former concert. Encores  
were called for on most of the  
pieces. To-night this choir will  
sing in College Hall Wolfville, and  
present a different program.

H. Kerwin, the eye specialist  
will be at Hotel Aberdeen, Monday,  
Sept. 8th, for one week. Now is

erly attended to and glasses fitted.  
Consultation and examination free.

Mr. Burpee W. Wallace is writing  
in the Western Chronicle of his trip  
to the North West states the fol-  
lowing:—Our train contained several  
Kings County boys I knew Bert  
Currie from Wolfville, Theod Marge-  
son, Norman McLeod, Al. Whiting  
from Kentville, Harold Eisenhau-  
r from Canaan, Wylie Ward and an-  
other one from Alton, Will Shaw and  
a Mr. Tuttle from Berwick, Earnest  
Goucher and a Mr. Cox from Ayles-  
ford, and probably others whom I  
did not see. I lost track of most of  
them at Winnipeg. I believe the on-  
ly ones who came West on the first  
train from Winnipeg were Stephen  
Rogers, whom I forgot to mention,  
and myself.

WANTED—A chamber maid. Apply  
to H. L. Cole,

Mr. W. C. Archibald states that

This is probably the largest gathering

Mr. Harvey of Greenwich, has just  
threshed 130 bushels of oats of fine  
quality, produced on 1 1-2 acres of  
land sown by W. C. Archibald. Mr.  
Harvey has threshed a great many  
oats with his machine but he believes  
this crop has never been paralleled in  
this county.
