And Day in a Chair.

Sundridge, Ont., Aug. 21.—(Special)

Mr. William Doeg, of this place, now a hale hearty man, tells of his almost miraculous cure of Rheumatism by using Dodd's Kidney Pills.

"For four years I suffered excruciating torture," says Mr. Doeg.
"I was scarcely an hour free from pain. I could not lie down to take rest, but had to sit night and day in a chair."

"I was treated for Rheumatism by several doctors, and also tried several medicines without receiving any benefit. Almost In despair I feared I never again would be from pain. Then I read of some remarkable cures by Dodd's Kidney Pills. I procured a box and soon found they were doing me good and before I had finished, the second box I was entirely free from pain and a new man."

Expert Tea Blending

HAVE you ever tried to blend colors to match the shade of the red rose?

Pretty difficult, yet an expert can do it easily. Why? Because he can tell by looking at the rose what colors are required to produce that tint or shade. He can make that precise color every day in the week.

Just as the artist in colors blends the tints of the red rose, so my artists in tea blend the "rich fruity flavor" of Red Rose Tea.

With expert knowledge and intuitive skill he selects the particular picking of rich, strong Indian tea and the precise grade of fragrant, delicate Ceylon, and by skilful blending produces the peerless flavor of Red Rose Tea-a tea which for delicacy and strength is matched by no brand

INDESTRUCTIBLE PLANT.

There is a creeping moss found in Jamaica, in Barbadoes, and other islands of the West Indies, which is called the "life tree," or more properly the "life plant." Its powers of vitality are said to be feyond those of any other plant. It is absolutely indestructible by any means except immersion in boiling water or application of a red-hot fron. It may be cut up and divided in any manner, and the smallest shreds will throw out roots, grow and form buds. The leaves of this extraordinary plant have been placed in a dinary plant have been placed in a closed, air-tight, dark box, without, moisture of any sort, and still they grow.
