ANNOUNCEMENTS.

At The Grand—
Bijou Comedy Co.—Dec. 4-9.
His Highness the Bey—Dec. 11.

(Supplied to The Planet by Press Agents).

Bubbling over with catchy musical numbers, bright sparkling comedy and plenty of action, "His Highness the Bey," the season's musical sensation, with a record of five months run in Chicago, comes to the Grand on Monday evening next.

"His Highness the Bey," very com-

desperate band of insurgents, who are seeking the life of the new Bey in order to overthrow the government. Louie, who originally lands in Turkey in answer to an advertisement, is followed there by a jealous wife who becomes involved with the hours of a harem bequeathed the new Bey by his fleeing predecessor. An American war correspondent and foreign ambassadors complicate the affair by making love to the numerous wives of Wurtzelheimer and these afford comedy situations galore.

War is finally declared and the situation offers many opportunities for kaleidoscopic stage effects and

THE BROILERS, IN HIS HIGHNESS THE BEY.

reedy and appropriately termed the show with music, holds the record of the LaSalle having enjoyed a longer run than either the Royal Chef, Isle of Spice, Runaways, Isle of Bong Bong, or any of this producing house's successes.

Dealing, as it does, with international complications in the Balkans, there is unlimited scope for opportunity, all of which has been taken advantage of by the authors.

The action tells of the tribulations of Louis Wurtzelheimer, a band leader from Kankakee, who by odd series of misadventures becomes both a Turkish Bey and the leader of a

martial and sentimental melody, all of which have been taken advantage of by authors, composer and producers.

The company to be seen here is from a musical comedy standpoint, excellence in itself and includes Phil. W. Peters, a William H. Thompson, Justin J. Cooper, Edward Allen, J. Beach, Port Swain, Mable McCane and Ursula Marsh, Elsie DeBeau, and over sixty others, including twelve original "broilers."

From dramatic, vocal, dancing and beauty standpoint, the company to be seen here is without an equal. Seats go on sale Friday morning.

THAT OVER WORKED, PLAYED OUT FEELING AMONG WOMEN

There are thousands of females all over our land who are broken down in health and dragging out a miserable existence, overburdened with diseases peculiar to their sex, apparently growing old while yet young. Often they have pale or sallow complexion, hollow, sunken eyes, with a lifeless look; the face has a pinched and haggard appearance; they are weak, weary and trembling, often extremely nervous, starting at every little noise. Many are low-spirited, and some are fretful. Some are apparently bloodless, with cold hands and feet, while others are flushed by an unequal circulation of the blood, dizziness, and sometimes dimness of vision, loss of memory, and often loss of appetite and sleep, and are wearied with terrible dreams.

Palpitation of the heart, nervous prostration, smothering and sinking spells, shortness of breath and the sensation of pins and needles are all indications of a weakened condition of the heart or nervous system, and should any of them be present we would strongly advise the use of

MILBURN'S HEART AND NERVE PILLS

They bring health to the broken down, energy to the weakened constitution, tone up the tired, overstrained nerves, and strengthen the weak heart.

Mrs. Edward Jackson, Hall's Bridge, Ont., writes: "For a year I was greatly troubled with nervousness and loss of appetite, and could neither sleep nor eat. After taking a few boxes of Milburn's Heart and Nerve Pills I was completely cured and can recommend them to all sufferers."

Milburn's Heart and Nerve Pills 50 cents per box or three boxes for \$1.25, all dealers or The T. Milburn Co., Limited, Toronto, Ont.

In anticipation of a large volume of this class of traffic a handsome equipment of modern vestibuled trains has been placed in service in connection with the Overland Limited train of the Chicago, Union Pacific and North Western Line, the most luxurious train in the world.
