## Wolfville Baptist Church

GIVES CORDIAL WELCOME TO NEW PASTOR

On Thursday evening of last week a very successful and pleasant reception was given by the congregation of the Baptist church in honor of their new minister, Rev. J. H. MacDonald, D. D. The meeting was held in the Sunday school room and was most gracefully presided over by Rev. Dr. Gates. There was a large attendance of members of the congregation and invited friends.

After an earnest prayer by the venerable Rev. M. P. Freeman, the chairman called upon Rev. Dr. Cohoon to give the address of welcome to the new pastor. A happier choice could not have been made. Dr. Cohoon always says the right thing and in his address on this occasion he excelled himself. He cordially welcomed the new pastor and outlined the needs of the congregation and stated his gratification that such a wise choice had been made.

Dr. Cutten, extended the welcome on behalf of the educational institutions and Mayor Hales on behalf of the town.

Addresses of welcome were also given by Rev. R. F. Dixon and Rev. C. W. Miller, Rev. Mr. Watts, of the Methodist church, being out of town. Col. Beattie, of Ottawa, an old soldier friend of Rev. Mr. MacDonald, was also present and gave an interesting address.

The chairman then called upon Rev. Dr. MacDonald, who in an excellent address expressed the thanks of himself and family for the cordial welcome, and spoke briefly of the work which he had undertaken here. He impressed his listeners as being well qualified for the important position which he has accepted.

At the close of the meeting those present were given the privilege of meeting Dr. and Mrs. MacDonald and Miss MacDonald, after which the company was invited to the dining-room of the church, where refreshments were served and a most enjoyable hour was spent.

THE ACADIAN congratulates the Baptist people of this community on the happy settlement that has been effected, and begs to tender best wishes for the prosperity of church and pastor.

## Armistice Day at Acadia

AN IMPRESSIVE SERVICE.

The first anniversary of the signing of the Armistice was celebrated at Acadia in a most solemn and impressive manner. At 10.30 a. m. the faculty and students of the three institutions assembled in College Hall. President Cutten presided and introduced Lt. Col. E. W. MacDonald, D. S. O., M. C., late O. C. of the 10th Infantry Battalion, who addressed a few words of greeting to the students. He was followed by Lt. Col. the Rev. J. H. MacDonald, C. B. E., who paid a glowing tribute to those who had fallen in battle. Dr. Cutten conducted the Chapel Exercises during which silent tribute was paid, while the bell tolled, to those who will not return. A number of citizens of Wolfville occupied seats in the galleries.

### Look to Your Town

As you travel through the country you pass through many small towns, all of about the same size and all more or less alike. And yet, as you look at them through the train window, they make different impressions upon you. As you pass through one town you will think, "What an attractive town. I should like to live here." And yet, a town only a few miles distant will create in you a feeling of aversion. What is the difference in the two places? The answer can usually be found in the fact that one gives the appearance of prosperity and "pos" and the other does not. The streets of the first will be clean, usually paved, the lawns will be well kept, the houses painted, and the people you can see from the train will be bustling about as though they had plenty to do and were glad to do it. The second town, on the other hand, will appear slovenly and ill-kept. Tumble-down houses set in weed-choked lawns, board walks, streets strewn with paper, will meet your gaze, and the people on the station platforms and hanging around the unswept steps of the town stores will give you the impression that they do nothing and are nothing. If we want to attract people to our town we must be careful of the impression we make upon them. We must try not to let slide the little things

## Acadia Wins From U. N. B.

WOLFVILLE COLLEGIANS SCORED ONE TRY AGAINST NEW BRUNSWICK PLAYERS, WHICH PROVIDED THE ONLY SCORE OF THE GAME.

In one of the greatest Rugby games ever played on the local grounds, Acadia's warriors defeated the University of New Brunswick players on Tuesday, score being 3 to 0, in the final game of the Western section of the Intercollegiate league, and are now qualified to meet Dalhousie for the Maritim championship at Truro, on Tuesday.

Fully 2,000 spectators were in attendance, and the dashing plays which featured throughout came in for rounds of applause. Fresh from a victory over Mount Allison, the U. N. B. players arrived in town early in the morning, and when they entered the field their faces bore looks of confidence but Acadia's one try in the second period broke the hearts of the U. N. B. players, who were unable to get over the red and blue line. Wild excitement prevailed throughout, and the home team was well supported by the entire student body and friends of the university, who came from all parts of the province.

At three o'clock, Referee W. C. Ross, of Halifax, blew his whistle for the face off. U. N. B.'s scrim worked better than their opponents, and the ball was on the Acadia five yard line for full five minutes in the first period, but toward the end, the ball was bolstered up and beat the New Brunswickers back to their twenty five yard line.

The first period ended without score, Acadia came back strong in the second frame, and although the U. N. B. scrim worked splendidly, Acadia's backs got in some fine runs. With fifteen minutes of the second period gone, Half Back Johnson received a pass on the U. N. B. twenty-five yard line and scored the first and only try of the game. Acadia did not convert, and the game ended with Acadia University 3, University of New Brunswick nil. Dave Rogers, Steeves, Dobson and Johnson played in good form, but the work of fullback Parker was especially brilliant. Burden and MacLean played well for U. N. B.

## A Tablet Unveiled

ST. JOHN'S CHURCH REMEMBERS FALLEN BOYS.

A tablet to the memory of the members of St. John's congregation who fell in the late war, was unveiled last Sunday in the church by the rector, Rev. R. F. Dixon. There was a large congregation and appropriate psalms and hymns and prayers were said and sung. The usual service was held until after the scripture lesson, when the rector turned to the tablet and removed the flag with which it was draped with these words, "In the faith of Jesus Christ and to the glory of God, I unveil this tablet to the memory of the following members of this congregation. In the name of the Father and of the Son and of the Holy Ghost. Amen."

After two prayers, appointed by the Archbishop of Canterbury, and a hymn, the regular service was resumed at the Apostles' Creed, at the conclusion of which the rector preached from the words, "They that sow in tears shall reap in joy."

The tablet is inscribed as follows:—

"To the glory of God and in loving memory of the following members of this congregation who fell in the Great War—1914-1918:

Robt. C. Borden  
Chester Dakin  
Kenneth C. Dixon  
Bernard Horsfall  
Walter Lynch  
George Kesbie

I am the resurrection and the life; he that believeth in me though he were dead yet shall he live; and whosoever liveth and believeth in me shall never die.

Erected by the congregation. The tablet is a fine piece of work and was supplied by Messrs. Birks of Montreal. It is of polished brass enclosed in a handsome black oak frame.

### High Tides do Damage

The tide on Sunday last is said to have been the highest for a great many years, and great damage was done to the dykes. The running dykes between Wolfville and Port Williams were broken in a number of places and the land was overflowed up to the railway track. The Wickwire Dyke suffered severely and the Grand Pre Dyke to a considerable extent. The river dykes were also badly broken. Reports from various county indicate that the dykes there also were badly damaged. A great deal of labor will be necessary in order to repair the dykes before the next run of high tides.

## Victory Loan Campaign.

WOLFVILLE MUST SPEED UP IN ORDER TO WIN FLAG.

The Victory Loan Campaign is drawing to a close and every one must subscribe to the limit during the last few days. No one doubts but what Kings county will reach its objective, but we do not want to be content with that. We should do as well if not better than last year.

Wolfville is still about \$20,000 behind its objective, the total on Wednesday night being about \$100,000. We must get busy and win the Honor Flag and at least one crest by Saturday night. Gaspereau has subscribed \$25,700 and won the honor flag and are still going strong. The Grand Pre district has \$21,400, only a few thousand short of its objective. Greenwich has subscribed only \$6000, but hopes to have a flag by Saturday night.

The remainder of the country is doing splendidly. Kentville has won its Honor Flag and is well on towards a Crest. Up to Wednesday night Kentville had subscribed about \$140,000. Other places winning flags are Kingston, Alesford, Berwick, Somerset, Grafton, Burlington, Ward 4, Port Williams, Canard, South Berwick, Scotts Bay, New Minas and Canaan.

Premier R. L. Borden has subscribed \$25,000 towards the campaign in this, his native county.

### The Memorial Hospital

On Monday last there was a meeting in Town Hall, Kentville, of the Executive of the Kings county Memorial Hospital with practically a full membership present. Matters of importance were discussed, including the desirability of certain available sites located centrally in the county, but no definite decisions were made. It was resolved to give a public dinner in Kentville during December to which the municipal councillors and others interested would be invited. Each councillor has the privilege of asking two persons in his constituency interested in the project. Dr. MacDougall, of Halifax, will be present.

Mr. E. E. Young, American Consul General at Halifax since 1913, has received word from Washington of his transfer to Southern Russia, where he will take charge of American affairs. He will leave as soon as is practicable for Odessa which will be his headquarters. Mr. Young is now residing in Wolfville.
