TO AVOID POLITICS.

North End Improvement Society
Holds Annual.

The North End Improvement Society
held a very interesting and important
meeting last night, the main features be-
ing receiving the report of the auditors,
reading the constitution, reviewing the
past year's work and also the status of
the society, and how it can best be gov-
erned. After receiving into the society
one new member, the business of the
evening went on. A letter was read and
read from Ald. Thomas W. Jettin,
saying he was sorry he could not be pre-
sent. Having to serve as Chairman of the
Sewers Committee would occupy
more of his time than if he was serving
as an ordinary member. It was thought
by all present that some parts of the
constitution needed to be adjusted. The
meeting closed with a prayer for the
prosperity of the society and the success
of the meeting.

A notice of motion was passed that
the society consider the constitution at
next regular meeting.

A notice of motion was also passed
that the meeting might be changed from
the first and third Thursdays to the
third Monday in each month.

The society will endeavor to secure
the enlargement of Picton Street School
and improve the appearance of Hughson
street. Free baths and the removal of
the crematory will also be worked for.

The election of officers resulted as fol-
lows:

Mr. Ed. Porter, President.
Mr. C. R. Reid, Vice-President.
Mr. J. Ward, Secretary.

Mr. W. C. Porter, Treasurer.
Messrs. Gus Ante and Mr. O'Neil, An-
ditors.

Standing Committee—Gus Ante,
Chairman; W. G. Potter, C. R. Reid, S.
A. Brown, W. G. Robinson, Dan O'Neil,
J. Ward, Ed. Porter.

Hall Committee—Mr. A. Tulk, Mr. R.
Kyle and Mr. Myles.

Eastern Ontario is attracting consid-
erable attention among mining prospec-
tors, and from various agencies there
are several promising sections there.

Receipts of live stock at the City
Yards as reported by the railways, for
Thursday and Wednesday, were 124 car
loads, composed of 1,800 cattle, 2,000
hogs, 1,679 sheep, 125 calves and 2 horse-
es.

There were several loads of fair to
good cattle and a very few prime, and
a large number of fat fat.

Trade was good and more choice cat-
tle would have sold.

Prices were firm in every branch of
the trade, excepting for hogs, which will
certainly go lower before the week pass-
es.

Feeders and Stockers—Few if any
feeders were on sale, the demand for
butcher cattle being so great that all
steers with any flesh on them are being
bought to kill.

Milkers and Springers—Prices rang-
ed from \$27 to \$35 each, but only one
was reported at the latter price.

TWO JAPS COMMITTED.

Sent for Trial at Vancouver on Charge
of Attempted Murder.

Vancouver, B. C., Jan. 16.—In the
Police Court this morning, two Japanese
which spent the time of conviction and
on the original charge of attempted mur-
der. He said Anderson and Macdonald
had been stabbed, but the assault on
Frost looked more like an attempt to
maim. If Frost had died, however, the
charge would have been murder.

Two young men were held up on West-
minster avenue last night by two men
armed with revolvers. Their money and
watches were taken.

near their lives could be brought into
union with the Christ life, which is our
true example in all things.

The lecturer gave many hard hits at
the little foxes in all lives, and exhorted
all to let the hounds loose after them,
that they might be killed, and thus each
life take on a higher spiritual tone. The
lecture was interspersed with a number
of bright, fresh anecdotes, which kept
the audience in good humor during the
hour and forty-five minutes of the lec-
ture. The young men will realize a nice
sum, which they will hand over to the
trustees to apply on the church debt.

The Y. M. C. is having a prosperous
year, and its weekly meetings are well
attended, and are of great interest.
