VICTORIOUS MUSCULAR CHRIS-

Admiration of a Montana Gambler

for a Parson Who Could Fight. "Dick Anderson was the toughest man in Butte City, and in those days Butte was the toughest town in the west." "Do you remember how he plugged the marshal, who was trying to arrest

him, under the table and made his escape." "I was there at the time. Yet despite the fact that he was a desperado, Dick built the first church in Butte.'

"Where is he now." "Last I heard he was a missionary out in Idaho. The building of that church changed his whole character." The speakers were enjoying their after dinner cigars in the lobby of the auditorium. All had tinges of gray in their hair and deep lines around their eyes marked the encroachment of age. They were from Montana, but their attire was

as faultless as if they had just stepped "It was this way," continued the last speaker. "Just when things were at their worst in Butte and no attempt was being made to suppress vice, a young preacher came out there from the east. He was a strapping big fellow named Worthing. He hired a small building and began to hold services every Sunday. Most of the people in town hadn't been in a church for years, and many went to hear him just for the novelty of the thing. Worthing was a man of considerable common sense and talked to the men so that they

could understand what he was driving "He didn't tell 'em that they were all going to be damned, and make the worst parents at New Richmond, Ohio.
