Bulletin News Service.

Sunday last, October 29th, was the day selected by the Sisters of Wisdom upon which to, hold the public opening of the new \$25,000 hospital recently erected in this town. The ceremony commenced at two o'clock in the afternoon in the presence of about 500
people from the town and surrounding
district. In the absence of his Lordship Bishop Reval. Father Leduc occupied the chair, and on the platform
with him were Mayor Smith, the members of the town council and the medimmenced at two o'clock in the after bers of the town council, and the medial profession. Father Laconte read the opening adiress, which was as follows:

dress, which was as follows:

"Reverand Father, your worship, ladies and gentlemen—It is my privilege as well as my duty to extend to you on behalf of the Reverand Sisters, the first hour should have his share

has gained in numbers, strength and in the reaping of the harvest. Next, popularity, and as they intend to conmy thanks must go to his worship, the assistance have been powerful factors in the erecting of the present hospital. From the first moment they have unlerstood what pressing necessity ther was for a place like this one, and for the adjoining district to be supplied with a charitable institution of this with a chartest method with a chartest wind, and no doubt but that the citizens of Castor will appreciate the foresight of their mayor and councillors in connection with this important matter and will give them all due recog-

It is understood that this company the subsidies for the construction at Quebec of the largest dry dock in the world, and upon formal acceptance of the scheme by the government, the work will begin at once. It is further reported that the dimensions of the proposed dock will be: Length, 1150 feet; width of entrance, 110 feet. There will be forty feet of water on the sill.

OLIVER IN WINNIPEG. Winnipeg, Nov. 12-Hon. Frank Oliver, who passed, through the city today on his way to Ottawa had a short conference with leading Liberals. He denied the rumor to the effect that he was going to retire from parliament to join the Alberta cabinet. He said the same paper had announced his retirement as soon as the Dominion elections were held but there was no truth in it. He added that the reorganization of the Alberta abinet hinted at was no more likely than his own retirement

To Confiscate When Short Weight Winnipeg, Nov. 10-At the neeting of the civic legislation committee, a resolution will be introducd to secure power whereby the city will confiscate all coal and which when being delivered is found to contain less the required poundage or square foot as the case may be. This is a direct outcome of the prosecution of ten big dealers who are now before the court here. Union Bank to Move Headquarters

Ottawa, Nov. 10-The Canada Gazette will on Saturday contain a notice that the Union Bank of Canada will apply to parliament for an act amending its charter, changing its head office from Quebec to Winnipeg and empowering its directors to elect an honorary president and two vicepresidents.
