What the Brunswick Method of Reproduction Means to You

BRIEFLY, it brings two great exclusive features.

First, the Ultona, a new conception for playing all records at their best. Just a turn of the hand means the correct position on the record, the proper diaphragm and needle for every make.

Second, the All-Wood Tone Amplifier built-up on the violin principle.

Tones hitherto lost are brought out in rich clarity by these exclu-sive Brunswick features,

Hear The Brunswick before you buy or even make a tentative decision. Doing so will not place you under the slightest obligation.
