t the Sunday School session in thoroughly displayed. In the Mendelafternoon representatives of a soon number the orchestral stops, or of classes gave suitable strings, flutes and clarinet were used. sgiving recitations and Mr. Fred In the Wagner number the reeds, by going to the kindergarten pure organ tone. leading out a small boy aged four years. Bringing him to platform he laid his hand on Restoration Work ead and asked "What shall this become?" To many answers were volunteered he gave l answers, leading up to one had once been given by a smaif ho was right. "It depends up- A letter addressed by his Grace himself and God." This rough Archbishop Roche to the people of the cannot begin to tell of the susin fact of the whole session.

THE NIGHT MESSAGE,

intion of the problems of the age. Iterion in that the restoration work entre the preacher was at his very tails. r had come when we thought that were in an age of peace. The Singer Returns ague had not prevented war. esident Wilson, who may be the Lincoln of a coming generation been spurned. Science had seemo give life but had in reality dight death. Man will destroy him-thy his own power. Third, to who was to fill an engagement at the an shall we go with our sin. Here Nickel, deemed it advisable to return speaker fold with remarkable ef- to New York immediately, and left by a dog story. The strain of the the Silvia yesterday. discussion was forgotten only

THE COURSE WHEATING LARDS ...

oring Thanksgiving them to forgive their enemies, and have a satisfactory answer to the fourth division of the discourse, i.e. TRANE STREET METHODIST To whom shall we go with the preblem of death. Older people who were bringing a man 2,100 miles evangelist in manuer, appear reach only twice and lecture and matter and his two sermons will as well as bringing a singer all be remembered with great pleasure way from Halifax just to assist by those who were privileged to hear

very pew-holder had been per- evening service consisted of four canvassed so that the ushers olos, which were rendered in a deexactly what seats were at lightful manner showing splendid disposal. Thus in the morning control of the voice as well as a spirit the came were seated. But in the sympathetic and reverent toward the ing the twelve hundred regular words sung. In the regular service the ags were filled as well as another solo was, "Fear Net Ye O Israel," by and then two hundred stood from Dudley Buck, Mr. Guilford did full to 8.30 and several hundred justice to this number, varying his tone according to the music, soft and pleasing at times and at others joyful and triumphant

the organ prelude which was nasie by Rowley, eame the Sanc-maste by Rowley, eame the Sanc-Wegenast and "Jesu, Jesu, Miserere," kinaste by Rowis, and the state of the Invocation and the reading the Invocation and the reading the rail to worship sentences. The m "All people that on earth do ell" was sung and Rev. C. H. Johnled in prayer, particularly asking the sentence of the singer to show of the woise to good advantage. Having that the gift of leve might take the voice to good advantage. Having heard Mr. Guilford in sacred music s anthem "Lord I have loved we can be sure that he will give a bitation of Thy house," which seed account of himself in the lready been read responsively secular songs which he will sing in already been read responsively the College Hall this evening. It will be a chance which ought not to be missed

Coming to describe the work of the

choir, which numbers forty, it is in-He is a little over 30 teresting to note that at the close of riking curly hair and a metal- the morning service the visiting riking curly hair and a metalcoato voice, which, however is
to paffected. Add to this a
rile and a very evident deverile and a very evident devend you have dene as well as great attention is paid to expression a word picture. He used The choir showed its excellence in her's bible and this for the the many items of unaccompanied inc only; the other occasions singing which were interspersed the first Sunday after his fath-eath and the other the first time is the severest test of a choir and preached in the home Church that Cochrane Street cheir can do dhood. The use of the book so much of this work bespeaks their as a tribute to the constant quality. The various anthems were n which his father had always rendered splendidly, but special reference must be made to two. First, the anthem from the Russian church bject "Life's Supreme Know- music called Crerubim Song by Borwas based on the question of tnyansky was sung unaccompanied, John 14.8, "Show us the Fath-it sufficeth us." Two fine di-ieties of tone were brought out marked a hrilliant and at splendidly in the rendition. It has wonderfully dramatic address always been contended that the music early an hour in length. Pirst, it men always admit lack of ligious music in the world. The owledge." Second, "Great words to only be defined in terms of per-ality." The words chosen were ther, doctor, missionary, Each of se was treated in a rarely attractive. way. Mr. Hunter swayed his vigor and fine effect. The trio in lience to smiles and tears almost this was very well sung by Miss Pike and drove home a tremendous

sang. Mr. Hunter, telling a horns and more powerful stops of orchestra were brought out, showing her got his text from the back that this organ posseses very great e Church, proceeded to do the variety in addition to the steps of

on R. C. Cathedral and Palace

ed interest of the whole address Masses yesterday. The communication dealt with restoration work on the Cathedral and Episcopal Palace, and What is the message, out of which may which seethe through your mad, to give to an audience of 1,400 cople? This is a question at which my public man might quait. It may be commencement of the evening admensional to the evening admensional to the commencement of the evening admensional to t brid's Greatest Need." The same ay apply to the fact that the consision did not come as sharply as the morning service. But these the only criticisms which could made of Mr. Hunter on Sunday made of Mr. Hunter on Sunday in order to concentrate the latter ready thing As a Rotarian in Toronto for occupancy early next year. The has mixed with many prominent interior of the Cathedral is at present undergoing renovation. Next year it is proposed to complete the work of restoring the the outer walls and then stions. Four divisions had we go it.
