BUICK STANDS HARD SERVICE.

"My fourth Buick is undoubtedly the best car I have ever driven," writes Mr. Theodore Carfoll, sole distributor of Blue Bonnet Brand Vegetables, grown in the Magic Valley, San Benito, Texas. "It is fast, has a quick get-away, no vibration; I would not drive a car without four-wheel brakes."

"I drove my 1923 Buick 24,000 miles in ten months and I am still using it in my business. I make a trans-continental trip each year, which takes me to Boston, then across to Portland, Oregon, and down through California, then on back to the Lower Rio Grande Valley. I do not believe that there is any car that will stand the hard, fast, continuous driving that a Buick will."

The Vicomtesse de Frise Uses Pond's Two Creams Constantly.

"Fortunately every woman may possess a lovely skin. But she must give it the right care, a delicate cleansing and a soft protection. These, in my judgment, can best be had by the use of Pond's Two Creams. I use them constantly and find them indispensable to the freshness of my complexion."
