# Germany to Continue ASSENT GIVEN TO Warfare by Submarine ENLARGING SENATE

Forecast of Reply Sent To Washington By Ambassador Gerard Intimates She Will Accept the Principle That Americans Be Protected.

[Special to The Advertiser.]

(By John Edwin Nevin.)

Washington, May 20.—Germany has nofficially accepted the general principle that American citizens shall be protected and safeguarded by the United States under all conditions.

On the ground, however, that it is contrary to all rulings of international graph from her understanding of the law, she will reject the suggestion that the United States can demand complete abandonment of her submarine war-fare. She holds that America's legal rights extend only to the protection of vessels of American register, and to the safety of Americans on board belliger-
