## RUMANIA'S ADVANTAGE.

R UMANIA had one great advantage where the first blows were to fall, and ties are made. of this knowledge she has made the most. In a few days' fighting her forces have advanced into Hungary capturing important towns and passes.

On this Germany depended to carry her armies through Belgium and on to Paris before the opposition could be glum gave unexpected trouble, and spiring spectacle for his forces. France and Britain rushed sufficient men to the front, in the valuable in its ultimate object, this early rush same courtesy to thousands of them. enabled the Teutons to occupy much territory from which they have not vet been driven. It was the only really advantageous action they took on the western front.

Unlike the German invasion of Belglum, the Rumanian stroke is fair and legal. Our new allies are breaking no treaty and injuring no neutral, but striking directly at the foe. They have swarmed through the mountain passes. which would have been most effective Hungarian defences had time been alhave comparatively few men to spare each other. to check this onslaught, even if they were not coincidentally worried by the cess of the invaders is bound to in- over 5,000 taken by the French in two isn't bad, only you want to come forjure the morale of the defending

Hungary is of the utmost importance. Hungary is largely an agricultural foodstuffs it can get. Wherever the Rumanians get control shipments to you might say, when I went home, "Gladly!" Then, suddenly looking expected at the house. Will you please Rumaniana get control, shipments to you might say, when I went home, the enemy forces will be prevented, and the net drawn closer around the Teu- steps up prepared to make peace. I tons. So far, all the resources of Germany, Turkey, Bulgaria and Austria-Hungary have been at the disposal head. of the Toutons, together with much from occupied territory. Now a change is coming; the Allies are going to hold the key to some of these granaries, and their enemies are going to feel the pinch. The food problem has already man burst into the local police station. toomed large among the troubles of drown himself for some time," she altogether makes himself a general the foe. With loss of land its solu-tion may become impossible, and in land for two days. I want you to bringing this about Rumania's dash will be an important factor.

A RECENT number of the Friends of relief suddenly overspread her face.

Intelligencer, an American Qua"Why, yes," she exciaimed at last, ker journed replies to some questions l'he's deaf!"

asked by a Canadian in regard to its seutral attitude on the war.

that the Austro-Serbian dispute be referred to arbitration. Replying to this and the other questions, the Intelligencer says first that such questions can be answered only by reference to the general history of Europe. It asks why did not great powers insist on the Armenian persecutions some years ago being referred to arbitration, and how about the Boer war in South Africa, the Irish question, or the wars made by Great Britain on China to force 3673, News Room, ADVERTISER JOB PRINTING CO., Indian opium into Chinese ports? Why should the attack on Serbia be a very special case?

This kind of answering is evasive and superficial. Why should one wrong be tolerated because others have been? Is not the world growing, and rapidly, since the Hague conventions came up and arbitration has been making such rapid progress since 1900? But all these Armenian, Boer and

Chinese parallels are superficial. The Irish and Armenians have been subject peoples for centuries back. The wrong monial parade. I thought you had done them began in a different time enough of ceremonial parades, and I from the present. It is ridioulous to suggest that Ireland is still being, like was no chance of a world-war being On reading of this incident, there blatantly menaced the independence of

with an event that occurred at the same | The Intelligencer is anxious to put at that time was not so particular about waging war. But the real questions what the soldiers wanted, but preferred are (1) who attacked the others in this to stage an elaborate review on a roast- case, and why? (2) Is it right for a ing-hot day for the sake of gratifying nation to defend itself? It makes no his personal vanity. Of course he was difference what happened in 1867 or less accustomed to public honors than 1899 or in Ireland in the twelfth centhe duke, and the novelty had not worn tury. Those are red-herrings drawn off, the soul still craving for "a place across the track. Good questions for the Intelligencer would be: (1) Which But then, everything seems to have great power has most consistently opbeen different on Labor Day. The offi- posed the idea of arbitration or of re-
