Mysteries of the New Fashion Are Recorded

The Autumn mode, in all its richness of color and design, is to be found here. Faithful are the new fashions to their Parisian traditions, and with a charm of their own, if adapted here. Lovely fabrics. Glowing colors. Shown in no end of variations. Silhouettes, bouffant or slim. Hats that seem lovelier than any of their predecessors. Ah, but we can only give you hints of their charm! To fully appreciate their distinction, you must drop in and see them for yourself. It will be a pleasure.

Canton and Georgette Dresses

Georgette re-enters the mode in new guises, fashioning sheer and saucy little frocks, which are attractive for dinner wear, and yet sufficiently plain in line to appear on the most informal occasions. There seems to be nothing they cannot do—with fluttering panels, tassels and pleated skirts, ruffles of lace, or steaming embroideries. Sashed or girdled. They are lovely enough to wear anywhere. In colors for street wear, all of them lovely. Dress of Navy Canton Crepe, slip-over style, side panels extending from hip, front and back, beaded in steel, also edges of panel top of sleeve and girdle beaded. Price **\$45.00**

MEN'S TOPCOATS

And if you want to be sure that your coat is as smart as any you'll ever meet, as finely tailored and as distinctive in pattern and in cut, you'll choose a coat that bears one of these names:

AQUASCUTUM **RICHARD AUSTIN** **LEISHMAN**
The slip-on is, of course, the accepted model—the loose, draping coat that is the choice of well-dressed men everywhere. It is to be seen with regularity and with Raglan shoulders, but in either case it is single-breasted and has a loose back that hangs from the shoulders. There are grays, browns, Lovats and greens, showing an interesting variety of herringbone, overcheck and mixed weaves that are unquestionably English. We offer now one of the most complete showings of fall toppers in years, representing the three celebrated houses already mentioned, and priced moderately at **\$35.00, \$40.00, \$45.00, \$55.00**

Maudelberg Gabardines

Preferred by many men because of their double usefulness as shower-proof coats and light weight toppers. Obtainable in fawn, tan or olive shades; cut in the Raglan shoulder, slip-on style and lined to the waist and through the sleeves, \$25.00 to \$35.00

An Aquascutum Motor Coat

Made for the motorist who wants the comfort and appearance of a fall coat in combination with some of the protection of an ulster. This is a single-breasted garment, cut with the full draping back, with a half belt and cuffs on the sleeves; made from a tweed of comfortable weight in rich mixtures of heather and fawn. Price **\$55.00**

Cravenette Shower Coats

A favorite with men who are more or less conservative in taste. These are in dark shades in slip-on style, with regular shoulder and half body and sleeve linings; made by Aquascutum. Price **\$45.00**

New Autumn Millinery, \$10.00 to \$13.00

50 new model hats just unpacked from their boxes and placed in stock for your inspection. Beretta shapes, cloche and poke styles, as well as Oriental turbans and large dressy hats with elongated sides. Smartly trimmed in velveteen, pheasant feathers and ostrich fancies.
