On this same subject of the inefficiency of Victoria's telegraphic service, General Manager C. R. Hosmer replied thus inefinitely and unsatisfactorily to the board's request that a duplicate cable be house in provided to ensure better connection be-tween Victoria and the outside world: "I need not assure you that I very

much regret that communication be-tween Victoria and the Mainland should have been so long interrupted. It has been a cause of very much worry and anxiety to us, as well as a great expense and I sincerely trust that we will not have such bad luck again."

The utter ignoring of the subject dealt with in the board's letter, to which this was a reply, demanded some brief discussion, the answer of Mr. Hosmer b ing pronounced-like the telegraphic Will Locate Here to Obtain Their service to which it referred—very un-R. A. McGillivary & Co., of Toronto,

DISEASE CONQUERED.

DR. WILLIAMS' PINK PILLS GAIN ANOTHER GREAT VICTORY.

Out-The Greatest Healing Medicine of the Age.

(From the Orangeville Sun) In a cosy little house in Margaret street, in this town, lives Mr. John Garrity, his wife and family. They are indeed a happy family, although a few years ago a sadder household would be hard to find. Their happiness was not occasioned by the sudder obtaining of a fortune but by some solable squaws. happiness was not occasioned by the sudden obtaining of a fortune, but by something much more precious—restoration to health of a wife and mother when everyone whispered that she must die. Our reporter heard of Mrs. Garrity's illness and cure, and for the benefit of our readers investigated the case; what he learned is well worth repeating. A few years are Mr. gated the case; what he learned is well worth repeating. A few years ago Mr. Garrity kept a well known hotel at Chelterham and was known far and wide for his herents, and the two coffins were lowered herents, and the two coffins were lowered herents. noted for her amability. However, she was stricken with a peculiar sickness her health failed rapidly and from one hundred and forty-seven pounds her weight became reduced to ninety-five pounds. Fainting spells became frequent, and a continual pain in the back of head almost drove her frentic. Physicians were in attendance frantic. Physicians were in attendance, mourned. And then as the sun rebut the doctors all said there was no hope. its way to the place of its going d Mrs. Garrity saw death staring her in the face, and the thought of leaving her little children caused her much sadness. She was advised to try Dr. Williams, Pink Pills, but thought they could not possibly do her any good when physicians had failed to alleviate her sufferings. Hoping, however, almost against hope, she procured a supply, and wonderful to relate she had not been taking Pink Pills long when the dreadful symptoms of her illness began to pass away, and to-day she is the picture of health. A few months ago Mr. Garrity and family removed to Orangeville, and in conversation with our representative, Mrs. Garrity said: "I cannot find words to express my thankfulness for what Dr. Williams' Pink Pills has done for me. I wish that every one who is suffering as I was will hear of this remedy. We always keep a box of Pink Pills in the house." Mrs. Garrity saw death staring her in the
