"Jugo-Slavs" means South Slavs. The origin of the word as a political designation is not definitely known. It appeared, perhaps, first as an official name for a South Slav combination at the convention of Corfu. It had, however, been used previously by Archduke Francis Ferdinand to describe the Slavic people of southern Austra-Hungary, Serbia and Montenegro.

According to the plan credited to him the South Slavs were to be united into one nation and to form an integral part of Austria-Hungary, thus changing it from a two-part to a three-part monarchy. The Jugo-Slavs.

One of the Indianapolis grade schools recently organized a company of cadets. A high school cadet was obtained to train them, but the principal of the grade school was a bit uneasy over the way her boys might treat him. "You have to impress them in a dignified way." she advised him, when he came to the building. "Make them think you're a person of importance and then they'll mind you."

The seventeen-year-old cadet nodded. He went on into the assembly room, faced the boys and explained. ENT "CASCARETS" FOR LIVER AND BOWELS

Effective Measures Taken

Since childhood Mr. A. Cail was under the shadow of a great evil, which always menaced his comfort and safety. Read what he says:—

"I was troubled with my kidneys since childhood and spent a large amount of money trying to get cured. Instead of getting better, I kept getting worse until a friend of mine advised me to try Gin Pills. I did so, and after taking one box, I was able to get out of bed and walk around. Two more boxes relieved me completely, and since than I have had no return of the trouble.

Many people have kidney and bladder touble without knowing it. They think nothing of the backache, the pains in the sides, the constant head aches, the rheumatic, sciatic and neuralgic pains, the floating specks before the eyes, the swollen joints, the highly-coloured urine—all signs of trouble—all signs which should receive immediate attention and treatment with Gin Pills, which are by fare the most effective of all preparation, and which may help you to avoid a fatal operation. They quickly relieve pain and heal the congested tissues, bringing the organs back to normal, datuggists and dealers, 50e a box. Money back if no relief. Send for free sample.
