A Heartless Imposition.—It is stated in the Bunker Hill Aurora, that between four and five hundred emigrants from Ireland lately landed in this city from ship Gov. Davis, and their first inquiries were for the agents of the City Aqueduct and the great Canada Railroad. The reason of these inquiries is found in the fact that large printed placards have been distributed over Ireland, stating that there is an extraordinary demand for laborers at Boston to carry on the above named works—the City Aqueduct and the great Canada Railroad.—Boston paper.

Holloway's Ointment and Pills.—A dreadful case of rheumatism of six years standing cured in ten days—Mrs. Potter, residing at Leamington, widow of the late James Potter, Esq. M.P., was from long and excruciating pains, reduced to a mere skeleton. It was with difficulty she was able to move any of her limbs in this state, these wonderful medicines were used, and in ten days they effected a perfect cure. In rheumatic affections, the ointment and pills, if used together will with certainty, cure the most desperate cases, however long standing they may be.
