The Steamer Philadelphia arrived at Na The Steamer Philadelphia arrived at Na York on Wedawday last, with thiteen days ter news from California, but she did not bring the mail, which was waiting at Charg-res for the Fabron. The Philadelphia bringe 131 passengers Among the passengers: Amon IRELAND.

TROM PAPER'S BY THE EUROPA.<sup>4</sup> The prices of lumber are rather more in favour of the seller : some kinds becoming searcer are sold at much better rates. The gold discoveries that have been made in Carson vafley and other places on the Eis-ters shores of the Sherra Nevada, have given a new impulse to mining operations. TROM PAPER'S BY THE EUROPA.<sup>4</sup> The question of idmission or non admis-tion of Baron Rothschild to his sear in the House of Cammons has been postponed till introduce a new Bill on the subject. The has been rejected, by the Commons, bit ano-der substituting a twelve pland qualification a new impulse to mining operations.
