**REAL LIVE TESTIMONIAL**  
Given to Professor Hamilton of Hampton

To Prof. B. S. Hamilton  
It gives me pleasure to be able to add my testimony with others who have been helped for I really believe I would not be living today had I not taken the Professor's treatment. I had been a victim of ill health for three years and received no help from Physicians or at the hospital where I was for some time. I suffered from a complication of diseases including irregular breakdown, nervous debility and pain in my side. I kept losing weight until I became a living skeleton. I did not want to live in that condition then friends told me of Professor Hamilton's skill and advised me to go and see him. I did so. And this is the result. In taking less than two months' treatment I am cured. I feel fine and keep gaining in weight and strength. Words fail to express my thanks and I cannot praise his treatment to highly.

Gratefully yours
