LIMITED

THIS school has been founded to provide side by side with the advantages of a select school, an education that in thoroughness and efficiency shall surpass even that given in the government schools. The sum of \$50,000.00 has been spent upon premises and equipment and the new buildings will be opened in September, 1898. The methods are those of the best English Ladies' Colleges which have recently made great advances in this branch of education.
