From Mrs. Tansey, Somerset, to Niagara-on-the-Lake.

"It is with very sincere thanks, that I write to acknowledge the arrival of a barrel of apples, which we received a few days ago in good condition, so kindly sent us by your Branch of the W.A.; both Mr. Tansey and myself wish you to convey to all your members our very grateful thanks. We were pleased indeed to receive them for fruit is so very scarce in this country; of course there is plenty of it imported, but so expensive that it is quite beyond our reach to purchase in our present circumstances, so you will easily realize what a treat a barrel of apples is, and how much we appreciate them."
