THE LEGISLATURE.—The Business of the House has rapidly advanced during the last week. The Committee of Supply closed on Monday afternoon, and yesterday was principally occupied with bringing up the reports, opposing and defending particular votes, and registering names. To-day the Address will be taken up, and the remainder of the week will probably be spent in forwarding or postponing Bills, there being still a great number before the House. We shall sum up, at the close, some of the results of the session, and give the divisions on the more important questions.—*Novascotian, April 12.*
