YOUNG MEN who contemplate
engaging in busi-
ness pursuits,
should be thoroughly and practically educated. The
advantage of this cannot be over-estimated. It has
been demonstrated, by long observation, that the
young man who has spent six months of a year in the
British American Business College
will have saved more money at the end of three
years, than he could have had been clerking all
the time. Besides that thorough training
which is indispensable to the successful business man.
Students may enter the school at any time. For cir-
cular address THE SECRETARY, TORONTO.
