

Winnipeg City Council.

The Winnipeg city council met on Monday evening for the transaction of regular business. A deputation from the Y. M. C. A. was present to ask for exemption from taxation on the new building now being erected in the city. It was decided to ask for legislation from the provincial government enabling the city to grant this request. The works committee recommended the construction of a number of new sidewalks, boulevards, pavements and sewers, which recommendation was adopted. The tender of the Columbia Construction Company for supply of asphalt at \$35 per ton was accepted.

New Produce Company.

The Great West Cold Storage and Provision Co., is the name of a new concern which is opening business in the premises on McDermot street, next the new Free Press office. The company will do a general provision business. It is understood that the company intend to build a cold storage building on the railway track in the city, and also a cold storage building at Vancouver. J. H. and W. A. Anderson, who have been connected with the produce trade here for some years, are the promoters of the new company, with whom others are associated, whose names will be given later when arrangements for incorporation have been perfected. Business will be opened at once.

Paper Manufacturers Meet.

Montreal, May 20.—Paper manufacturers who have been in conference here for several days, concluded their session on Saturday. A committee was appointed to make arrangements for the entertainment to the English paper makers, who will visit Canada in July. It was announced at the meeting that the Laurentide mills at Grand Mere will probably be in working order again in a couple of weeks. It is likely that an advance in manila and heavy brown paper will be made in the near future.

Winnipeg city council will offer \$100,000 for the commercial electric light plant, owned by the Street Railway Company. If this is not accepted, arbitration will likely follow.

A by-law has been passed by the Winnipeg city council to establish a suburban police and fire station, at a cost of \$70,000.
