

Poetry.

(From the Poet for November.)

FLORUM SACRA, by the Rev. G. H. Smytton, (London: Parker: 1s.)—We had occasion to notice this when it first appeared. It was then printed in a very expensive form, but we now have a cheap edition, which we expect will be very popular, especially with the younger portion of our readers. We should, perhaps, explain that the book consists of a series of simple little poems on the flowers, in which the writer teaches us to discern the wondrous love of the Creator. A specimen will be the best recommendation we can give:—

- PIMPERNEL.
- "See the scarlet Pimpernel  
Smiling in the sunny morn,  
Where it loveth most to dwell  
'Mid the golden waving corn.
- "Haply, pass another hour  
By the corn-field path again,  
When dark clouds begin to lower,  
Pregnant with big drops of rain.
- "Where is now this floweret flay  
With its bright and beaming eye?  
Look you wheresoe'er you may  
No'er a Pimpernel you spy.
- "All are closed, with instinct shrinking  
From the murky humid air,  
As it were some spirit sinking  
'Noath the ponding load of care.
- "Thus e'en childhood's lightsome heart  
Has a cross upon it laid,—  
Many a sorrow, many a smart,  
Many a storm to make afraid.
- "Tears, perchance, and grief bedimmed  
Lustre of those loving eyes  
Whence his joy is hourly springing,  
While on mother's breast he lies:
- "Or some cloud of shame and sin  
Darkening its sunny heav'n,  
Till by penitence within  
And confession, 'tis forgiv'n.
- "Rains and sunshine, smiles and tears,—  
All on earth one portion have;  
Joy and sorrow, hopes and fears,  
From the cradle to the grave."

LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

IT has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are especially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all climates, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these PILLS. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, how ever much deranged, and when all other means have failed.

GENERAL DEBILITY—ILL HEALTH.

Many of the most despotic Governments have opened their Caserma Houses to the introduction of these PILLS, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; and consequently no family should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:
