✿ ✿ ✿ ✿ **IT IS WITHOUT A RIVAL**

Physicians and Analysts pronounce it to be devoid of any Metallic or other Injurious Ingredients

"EDWARDS' 'HARLENE' is a cooling, refreshing and fragrant preparation which, applied regularly to the hair, will soothe and restore it to its wonted thickness, as well as bring back its lost lustre. Many of the so-called hair restorers are distinguished by an unpleasant greasiness much disliked, whilst in other cases the preparations contain ingredients which, though beneficial for the time being, do much ultimately to permanently destroy the hair, and very often cause injury to the brain. The 'HARLENE' is the result of much careful study by experts. It is absolutely guaranteed to hold no injurious matter, and in using it we may be certain we shall only derive the utmost benefit."—*The Lady's Realm.*
