Aromatic

A Summer

Montserrat.

Beverage.

Montserrat Raspberry Cordial!

These are elegant Cordials prepared with MONTSERRAT LIME FRUIT JUICE, and flavored as indicated with aromatics and pure FRUIT JUICE. They form most agreeable beverages, either diluted with water or alone, and especially with aerated waters, and are *guaranteed free from Alcohol.*

N. B.—The GOLD MEDAL of the ADELAIDE EXHIBITION has just been awarded to the MONTSERRAT LIME FRUIT JUICE AND CORDIALS; in regard to which, the *Liverpool Journal of Commerce* September 26, says:—"The Sole Consignees, Messrs. Evans & Co., are to be congratulated upon this result, whose enterprise in placing this before the public has met with such success, as witnessed by the fact that in the course of a few days 60,000 gallons of Lime Fruit Juice were imported by them into Liverpool alone."

Montserrat Saline Effervescent Salt.

This Preparation has all the properties of a cooling and purifying Saline. It is an elegant Pharmaceutical preparation, and at the same time a pure mixture of Acids and Salts, whilst, from its effervescence, it will be found to produce a certain and beneficial result.

DIRECTIONS FOR USE.—A teaspoonful, in a tumbler of water, forms a mild aperient, and an anti-fever draught. A small teaspoonful in a wine glass of water is a palatable cooling, and purifying draught. This latter dose taken before dinner is often likely to give an invigorating tone to the system.

ARE YOU CONSUMPTIVE?

USE EAGAR'S PHOSPHOLEINE

PHOSPHOLEINE

And if you are in the first or second stages of the disease it will cure you, provided
that your diet and general mode of life are good, and even in hopeless cases it will
afford relief. This preparation is a scientific combination of pure Hypophosphites,
with the finest Norway Cod Liver Oil, a combination in which the ingredients
are medicinally proportioned, according to the latest experience in the treatment
of wasting diseases, the assimilation of oils and the necessity for such a combina-
tion in not only wasting diseases but dyspepsia, debility, &c., &c.

The celebrated Dr. Millner Fothergill says "that a perfect Emulsion should re-
semble milk." Eagar's Emulsion or Phospholeine is the only preparation in the
market that resembles milk, and is the only preparation of Oil that will mix with
water. Try it for yourselves and be satisfied.

DON'T WASTE YOUR VALUABLE TIME AND GET BEYOND RECOVERY
by trying every greasy and much puffed compound which is offered to you; get a
trial bottle, at 25 cents, of EAGAR'S PHOSPHOLEINE, and you will be benefited
from the first dose.

Large Size 75 cents; Trial Size 25 cents. For Sale by all respectable Chemists.

EAGAR'S WINE OF KENNET for making Sweet Curd, Junket, Cheese Cake, &c. This
preparation combines the digestive principle of the stomach with the active principle of
the Rennet of the sucking calf, and it is therefore an excellent remedy for Dyspepsia and
Indigestion, as well as a delicious dessert. The coagulation of milk being the first step in
the process of indigestion; the junket of milk made by this Wine of Rennet, (which is pep-
tonized milk) will prove a valuable food for infants who have been deprived of the breast,
and who have a difficulty in digesting cow's milk. As a preventive and in the treatment
of infantile summer complaints, it has proved to be of great value both here and in the
United States; and as milk contains all the constituents necessary for the healthy forma-
tion of bone, brain and muscle, it will when peptonized by Eagar's Wine of Rennet, prove far
superior to many of the infant foods which are so largely sold. Be sure and get EAGAR'S.
For sale by druggists and grocers.
