NOTICES OF THE PRESS.

"Griffins Works .- They are interspersed with geenes of the deepest pathos, and the most genuine homor—at one moment we are convulsed with laughter, at the next affected to tears. We heartily recommend Gerald Griffins Works to the attention of the American public, and predict for them an immense popularity."—Sunday Despatch.

"We welcome this new and complete edition of dress as above for terms. the works of Gerald Griffin, now in the course of publication by the Messrs. Saddler & Co. We read receipt of \$1, postage paid.

Review.
"We have now before us four volumes, the com mencement of a complete edition of Gerald Griffin's works, embracing the 'Collegians' and the first scries of his 'Munster Tales.' The nationality of these tales, and the genius of the author in depicting the mingled levity and pathos of Irish character, have rendered them exceedingly popular. The style in which the series is produced is highly creditable to the enterprise of the American publishers, and we are free to say that the volumes are worthy of being placed in our libraries, public or private, alongside of Irving, Cooper, or Scott."—Hunt's Merchant's Magazinc.

DR. MORSE'S

Montreal, Sept. 16.

INDIAN ROOT PILLS.

DR. MORSE, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life No. 59. Lutte St. James Street. Flantreal. as well as North America—has spent three years among the Indians of our Western country-it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagmant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely Morse's Indian Root Pill's manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for Crapes, Woollens, &c.; as also, Scouring all kinds of Silk and Woollen Shawls, Moreen Window Curwhich opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phiegm, and other humors from the lungs by copious spitting. The third is a Diuretic. which gives ease and double strength to the kidneys thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way .-The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure

and clear. The reason why people are so distressed when sick and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames, have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised in witnessing their charming effects. Not only do Gloria in Excelsis; Perfection of God; Love of they give immediate ease and strength, and take God; Of Good Works; Grace and Sacraments; they give immediate ease and strength, and take away all sickness, pain and anguish but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.
