For **Suppression** a large dose should be taken as it produces the desired effect by sympathy. As a **Dinner Fill**, take one or two Fills to pro-mote digestion and relieve the stomach. An occasional dose stimulates the stomach and howels into healthy action, restores the appetite, and invigorates the system. Hence it is often ad-vantageous where no serious derangement exists. GENTLEMEN. - The Tea I purchased of you in March has given great satisfaction, and the flavor of it is very fine. It is very strange, but since I have been drinking your Tea I have been quite free from heart burn, which would always pain me after breakfast. I attribute this to the purity of your Tea, and shall continue a customer.
