The Waterous Roller

"A Matter of Comparative Costs"

At a recent Convention of the Ontario Good Roads Association, the Road Superintendent of Wentworth County made this statement:

"The Waterous Roller last year ran for 202 days of ten hours each, and 76 nights of twelve hours each, and cost \$189.00 for repairs. (This is practically all the cost for repairs this Roller has incurred since it was bought and it has run for five seasons.)"

"The Roller was in operation 129 days of ten hours each, and eighteen nights of twelve hours each, and cost for repairs \$197.00. (This Roller has been in operation four seasons.)"

These figures speak for themselves. Taking them as an average, in five years the Waterous Roller not only does 250% more work, but does it at a maintenance cost 23% less than the competitive Roller.
